Product Features

- ◆3 Speed & Quiet Motor
The motor runs smoothly, providing powerful airflow and multiple vents for powerful wind power. Low noise provides a non-interfering home environment. There are 3 speeds of high, medium and low that can be adjusted to meet your different needs and maintain the ideal comfort level.
- ◆5 Reversible Fan Blades
In summer, the ceiling fan crystal light rotates clockwise to provide a cool wind. And the fan lamp rotates counterclockwise, promoting indoor air circulation during the winter to reduce energy costs. The reverse air flow feature allows you to quickly change the direction of the fan, for a proper distribution of air.
- ◆Safe & Durable Ceiling Fan Light
The sturdy wooden blades are well machined to ensure smooth operation of the fan lamp without swaying. It has 3 functions of lighting, decoration and fan to meet your various needs.
- ◆SILENT MOTOR
100% copper AC motor with balanced blade assembly ensures smooth and noiseless operation.
