

Technical drawing of a semi-circular shower pan. The drawing shows a cross-section of the pan with a semi-circular top and a flat base. The overall width is 40 inches, and the overall height is 26 inches. The pan is 2 inches thick. The base is 36 inches wide. The top edge is a semi-circle with a radius of 20 inches. The pan is filled with horizontal lines, representing a grate or a series of parallel channels. The drawing includes dimension lines and labels for all measurements.

Technical drawing of a rectangular piece. The dimensions are indicated by dashed lines and arrows: the top width is $1\frac{1}{2}$ " (1 1/2 inch), the height is 26", and the bottom width is $1\frac{1}{2}$ " (1 1/2 inch). The drawing shows a solid rectangular area with a vertical line down the center, suggesting a fold or a seam.

A semi-circular window with horizontal blinds. The window is tilted slightly to the right. The blinds are closed, showing horizontal slats. The window frame is dark, and the background is white.
