## LAMP INSTALLATION INSTRUCTIONS

Please read carefully and save these instructions, as you may need them a later date.

## CAUTION

Turn off the main power at the circuit breaker before installing the fixture, in order to prevent possible shock.

## GENERAL

All electrical connections must be in accordance with local and National Electrical Code(N.E.C) standards. If you are unfamiliar with proper electrical wiring connections obtain the services of a qualified electrician.

Remove the fixture and the mounting package from the box and make sure that no parts are missing by referencing the illustrations on the installation instructions.
