If the Maximus Grand chandelier had its very own lyrics, it would be singing, "Here we go loop de loop," its wrought iron spirals holding beautiful seeded glass shades perfectly on key. The wrought iron on the fixture, which measures 64" wide by 14" deep by 17" high, has a rich Pyrite bronze finish that has been mottled for a slight textural feel. The looping frame holds seven lights for ample illumination. There are several Maximus fixtures in a variety of finishes.
