Product Specification

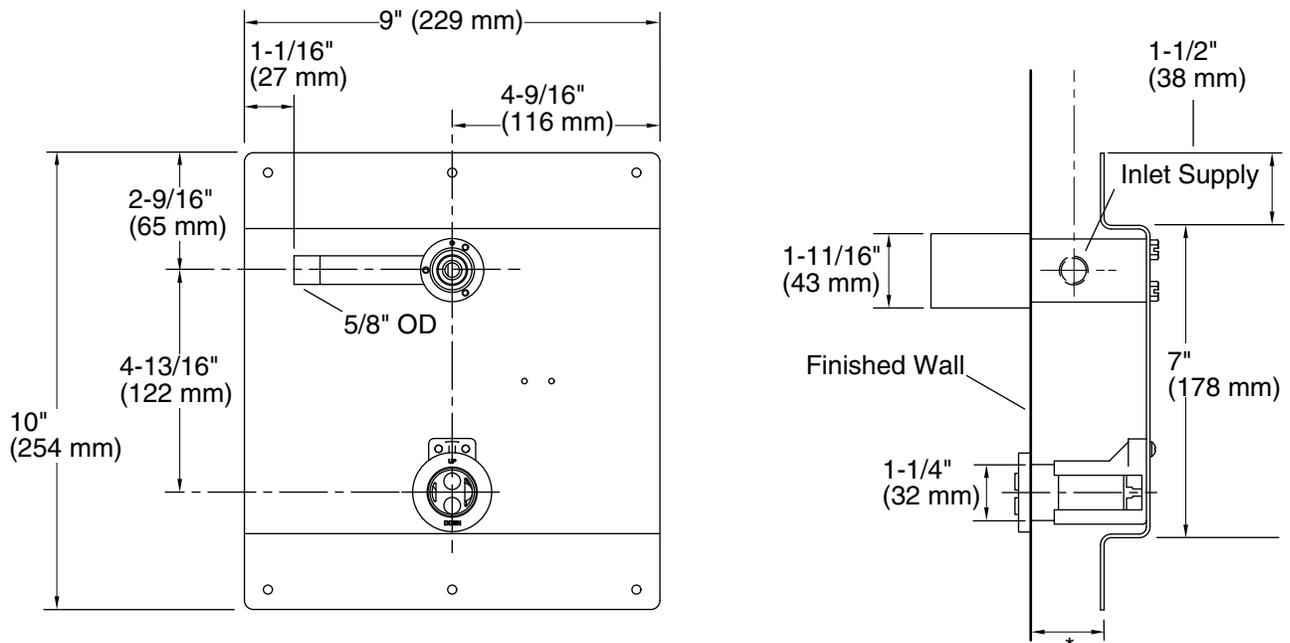

The Touchless™ wall-mounting valve shall be made of brass construction. Valve shall have a 0.5 gal/min (1.9 l/min) flow rate. Valve shall feature Insight adaptive infrared technology. Valve shall require an AC power supply. Wall-mount valve shall be Kohler Model K-11842-NA or K-11843-NA.

Installation Notes

Install this product according to the installation guide.

This product requires an AC power supply (not included).

Reference the installation instructions provided with the valve for specific framing information.

*Spout length varies dependant on valve roughing-in depth.
