

# SDHR2444PNRLHD

33.75" x 23.38" x 17.88" (H x W x D)

24" wide shallow depth built-in undercounter all-refrigerator with panel-ready door, stainless steel interior, black cabinet, lock, and digital controls

### Highlights:

Uniquely shallow depth under 18" for an easy fit in kitchen islands

Panel-ready door lets you customize the unit for a seamless look that integrates into your kitchen

Digital thermostat offers precise and convenient temperature control

### Product Features:

|                           |                                                                                                                                                                                                   |
|---------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 24" Wide All-Refrigerator | All-refrigerator for residential or commercial storage                                                                                                                                            |
| Less than 18" deep        | Unique 17.75" shallow depth is ideal for wet bars, island kitchens, and other undercounter areas with limited footprint space                                                                     |
| Built-In capable          | Front-breathing design lets you make the best use of space by installing your appliance under the counter                                                                                         |
| Commercially approved     | ETL-S listed to NSF-7 Standards for use in commercial establishments                                                                                                                              |
| Versatile design          | Innovative panel-ready bracket kit allows easy custom panel installation, but can also be removed cleanly if you redesign your space and prefer the look of a fully finished stainless steel door |
| Panel-ready door          | European style articulating door hinge and bracket kit allow easy installation of custom door panels to match adjacent cabinetry                                                                  |
| Frost-free operation      | No-frost operation for minimal user maintenance                                                                                                                                                   |
| Stainless steel interior  | Walls and floor are constructed from stainless steel for added strength and easy cleanup                                                                                                          |
| Factory installed lock    | Keyed lock for a secure interior (2 keys included)                                                                                                                                                |

## SDHR2444PNRLHD Specifications:

| Overview                   |                             |
|----------------------------|-----------------------------|
