

# Assembly Instructions

**Caution : You must read this before you proceed**

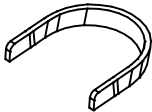

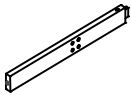

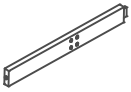

## Care & Maintenance

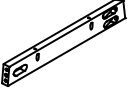

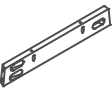

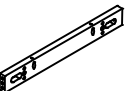

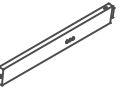

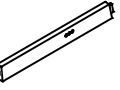

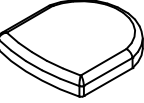

- |                                                                                                                                                                         |                                                                                           |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------|
|                                                                                        | ● Not for commercial use. For residential use only.                                       |
|       | ● Furniture may scratch floors. We recommend using furniture pads to protect your floors. |
|                                                                                        | ● Do not put hot items directly on furniture surface.                                     |
|                                                                                        | ● Do not clean furniture with harsh cleansers or polish.                                  |
|                                                                                      | ● Do not place furniture under direct sunlight.                                           |
|                                                                                      | ● Do not place furniture near heating or cooling vents.                                   |
|                                                                                      | ● Do not write on furniture without a padded barrier to protect the surface.              |
|                                                                                      | ● Do not place furniture outside. For indoor use only.                                    |
|                                                                                      | ● Stains may be removed with mild soap solution and damp cloth.                           |
|                                                                                      | ● Children should not climb or jump on the furniture.                                     |
|   | ● Dust and pick-up spills using a clean, non-colored, lint-free cloth.                    |

# Assembly Steps

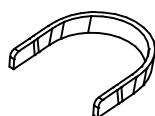

## Overview

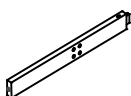

This chair has multiple parts and may require up to 30 minutes to assemble. To give you an overview of the Dining Chair, the above picture is to help you put the various parts into perspective. Please read through the instructions herebelow to familiarise the parts and steps before assembly.

### Step

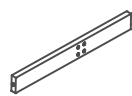

1

A

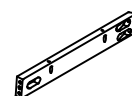

B

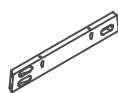

C

D

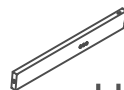

E

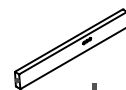

F

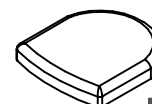

G

H

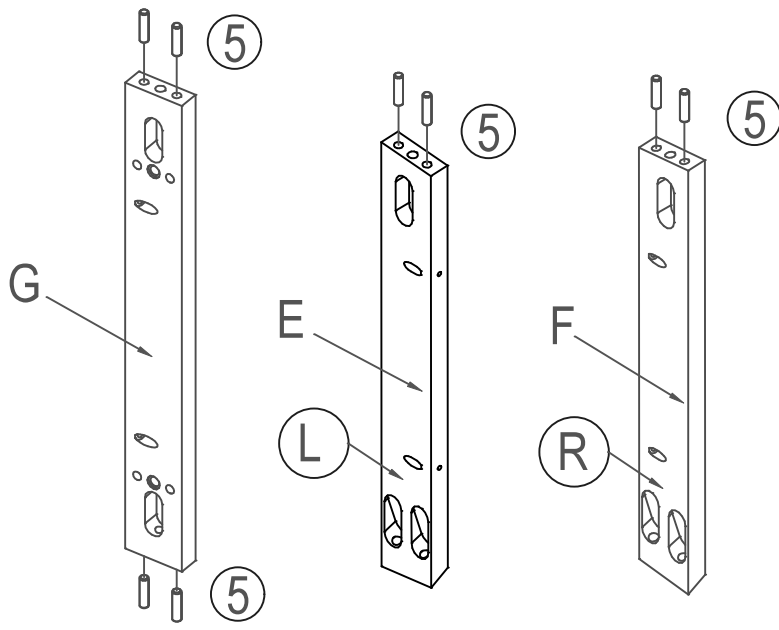

I

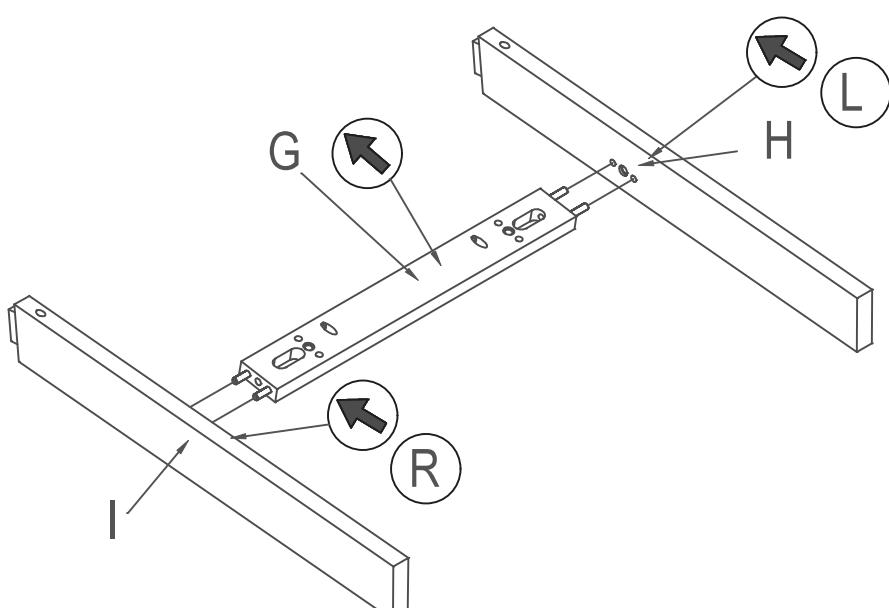

J

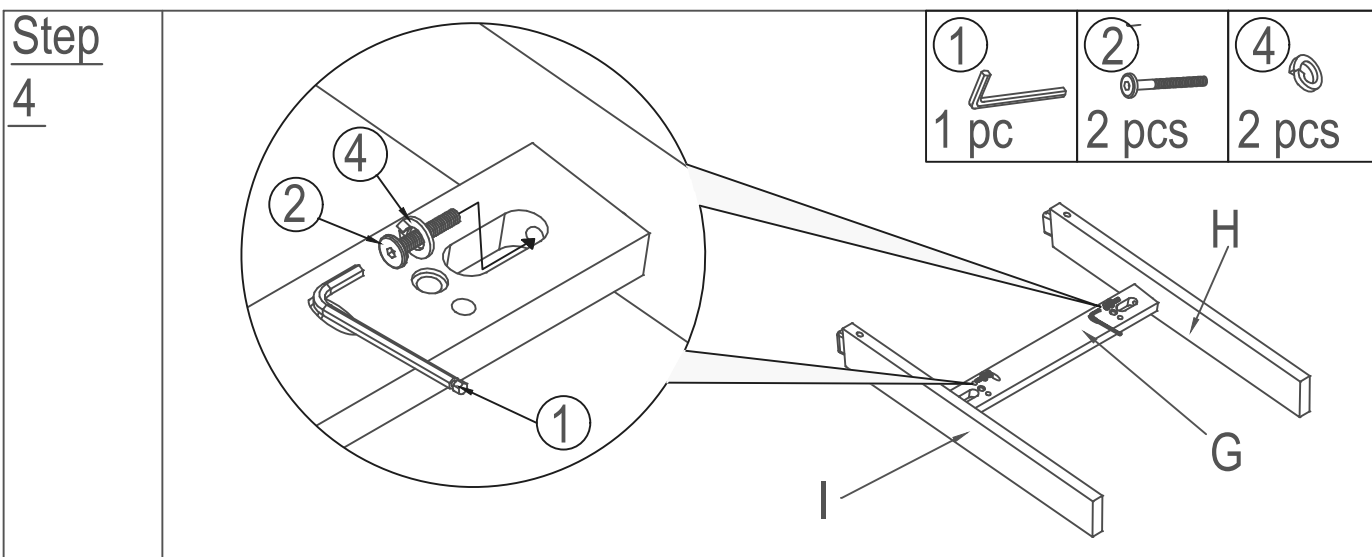

Unpack and place all parts on a clean, non-marring surface.

|                                 |                                                                                    |                    |
|---------------------------------|------------------------------------------------------------------------------------|--------------------|
| <p><u>Step</u><br/><u>2</u></p> |  | <p>⑤<br/>8 pcs</p> |
|---------------------------------|------------------------------------------------------------------------------------|--------------------|

Install Wooden Dowels (⑤) into the designated holes in the Front Frame (G), Left Seat Rail (E) and Right Seat Rail (F).

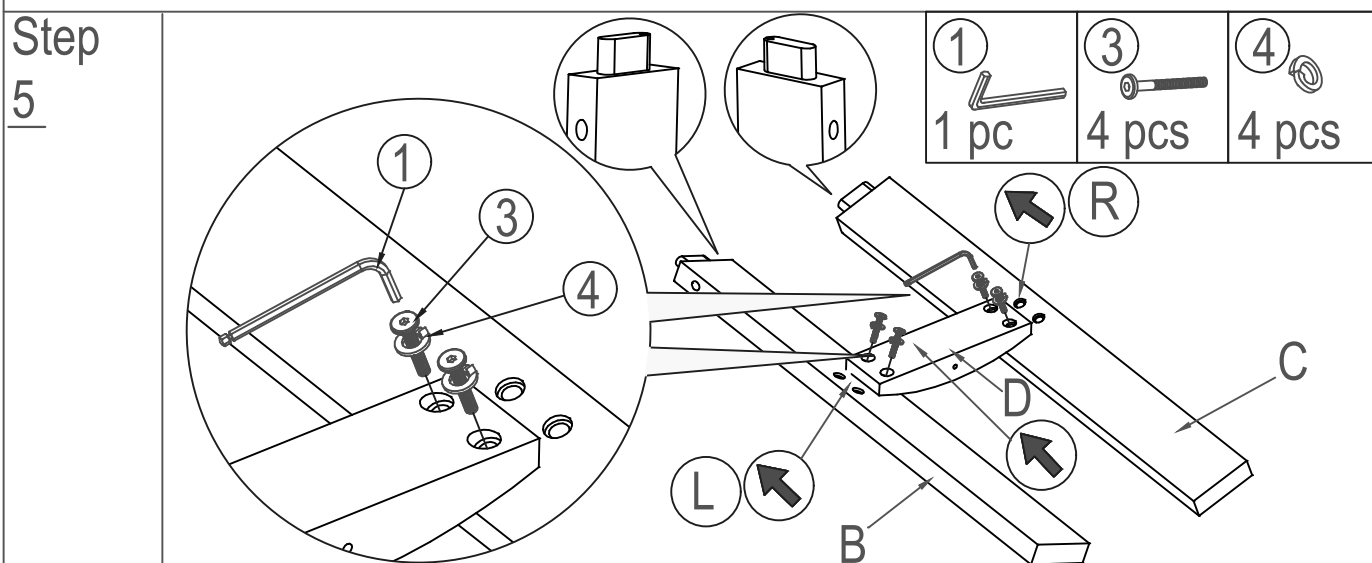

|                                 |                                                                                      |
|---------------------------------|--------------------------------------------------------------------------------------|
| <p><u>Step</u><br/><u>3</u></p> |  |
|---------------------------------|--------------------------------------------------------------------------------------|

Position the Left Front Leg (H) and Right Front Leg (I) so that the pre-drilled holes align with the installed dowels at Front Frame (G). Join the components together and ensuring proper alignment.

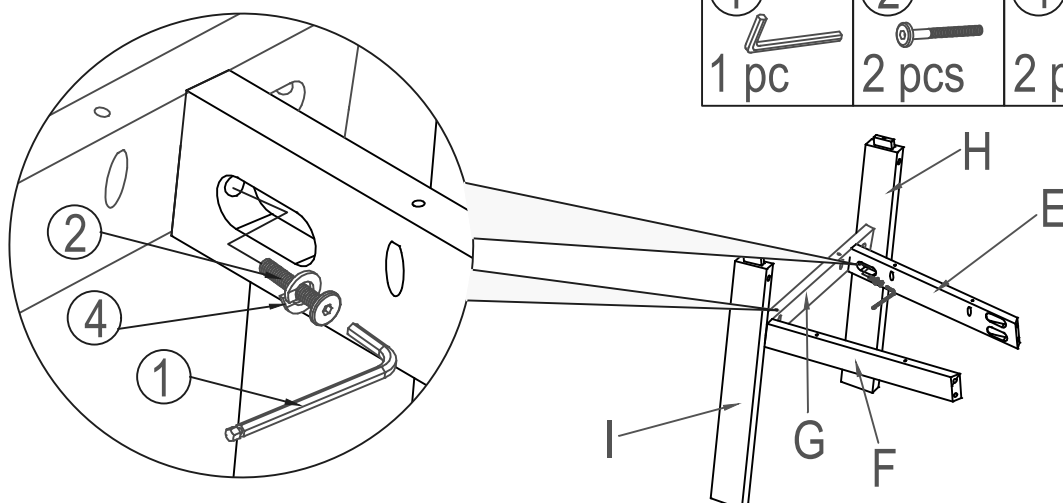

Insert JCBC bolts (②) with Spring Washers (④) into the Front Frame (G) and tighten with Allen Wrench (①).

**DO NOT FULLY TIGHTEN BOLTS.**

Please ensure that the designated side holes on the Left Back Leg (B) and Right Back Leg (C) are facing outward. Also make sure the small marking hole on Back Frame (D) is facing down. Insert the JCBC Bolts (③) with the Spring Washers (④) into the designated holes on the Back Frame (D). Align the Back Frame (D) with the Left Back Leg (B) and Right Back Leg (C) and tighten each bolt using Allen Wrench (①). **DO NOT FULLY TIGHTEN BOLTS.**

Step  
6

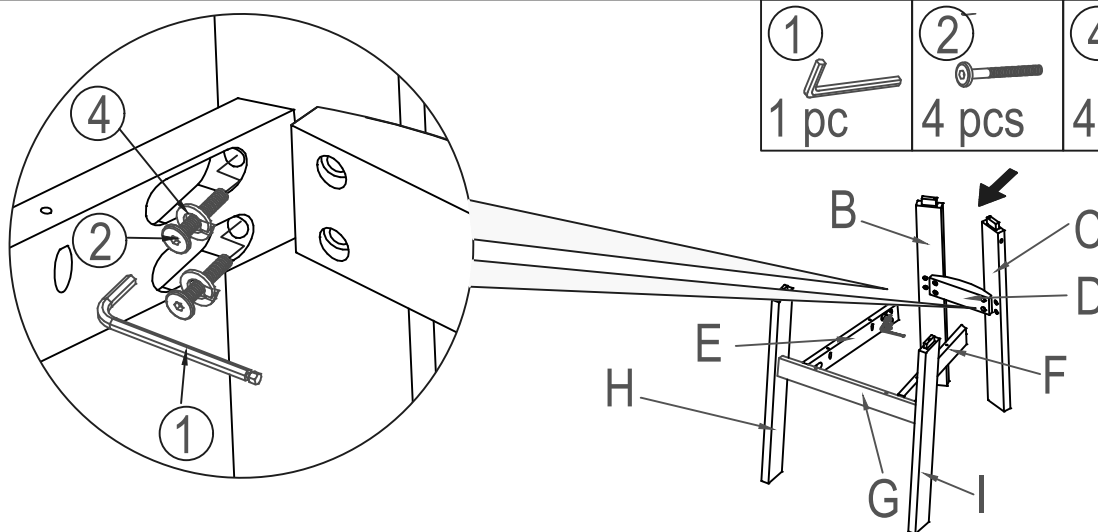

|      |       |       |
|------|-------|-------|
| ①    | ②     | ④     |
|      |       |       |
| 1 pc | 2 pcs | 2 pcs |

Insert the JCBC Bolts (②) together with the Spring Washers (④) into the designated holes on the Left Seat Rail (E) and Right Seat Rail (F). Align the seat rails with the Front Frame (G), then tighten each bolt using an Allen Wrench (①).

**DO NOT FULLY TIGHTEN BOLTS.**

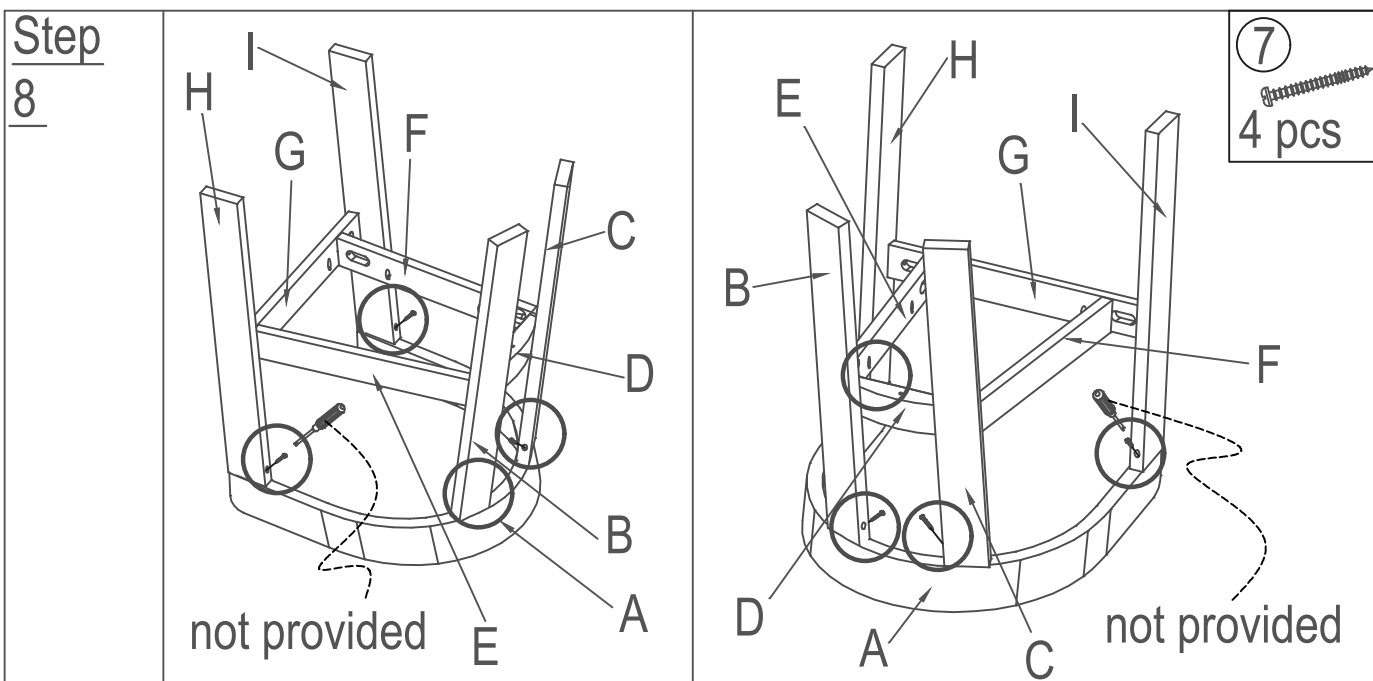

Step  
7

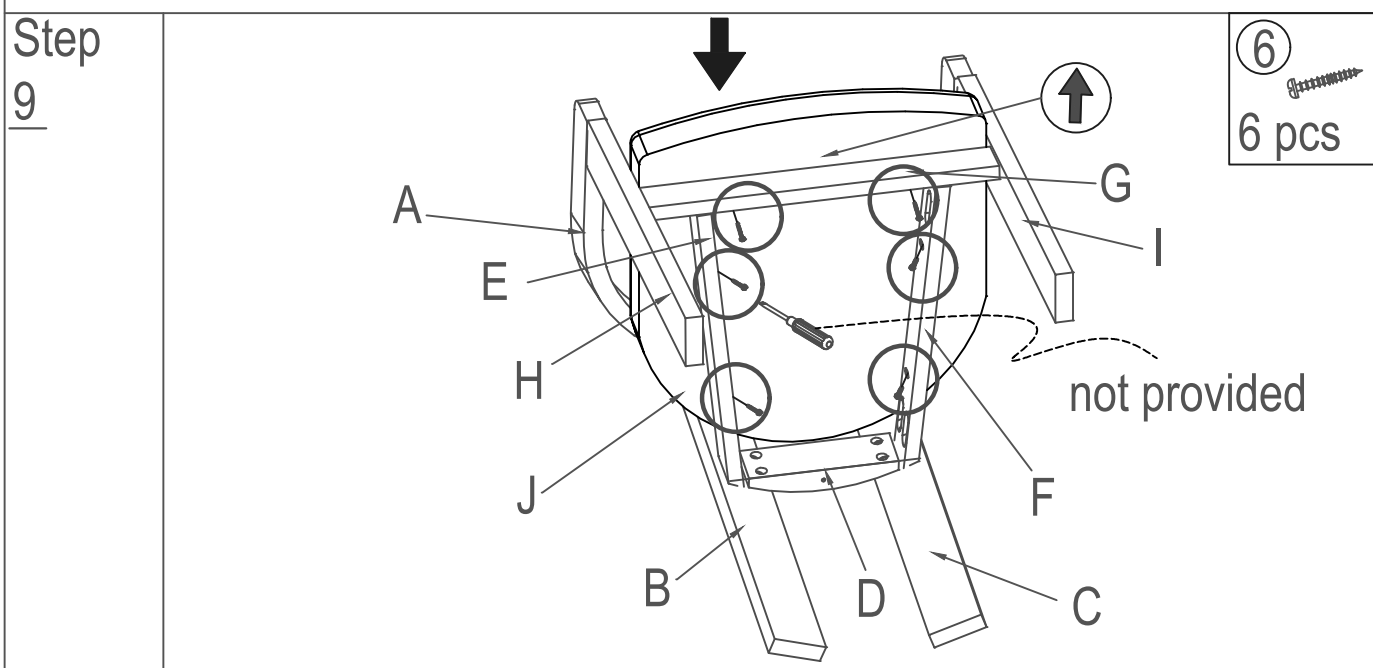

|      |       |       |
|------|-------|-------|
| ①    | ②     | ④     |
|      |       |       |
| 1 pc | 4 pcs | 4 pcs |

Insert the JCBC Bolts (②) together with the Spring Washers (④) into the designated holes on the Left Seat Rail (E) and Right Seat Rail (F). Align the seat rails with the Left Back Leg (B) and Right Back Leg (C), then tighten each bolt using Allen Wrench (①).

**DO NOT FULLY TIGHTEN BOLTS.**

Turn the chair upside down. Install Pan Head Screws (7) into the designated holes on the Left Front Leg (H) and Right Front Leg (I). Tighten securely with a Phillips screwdriver (not included).

Position the Seat Panel (J) correctly, then fasten it using Pan Head Screws (6). Tighten securely with a Philips screwdriver (not provided).

Please arrange the chair parts and equipment before starting the assembly.

Place the Dining Chair on a LEVEL SURFACE.

Inspect it and make sure all parts are adequately connected.

**Gently and gracefully, sit into to the Dining Chair.**

This would help to align all the parts at all the joint areas.

Then get off the Dining Chair, and in a sequential manner, proceed to tighten all bolts.

To tighten the screws at the base of the Backrest, do secure assistance from your adult partner(s).

You may be required to turn the Dining Chair, to gain easy access to the secure points.

**CAUTION 1: When tightening these bolts, tighten sequentially. Do not tighten the any bolts fully and then towards the next one. This would cause the frame to warp.**

**If these is still wobbles, loosen the bolts and execute this same process.**

**WARNING!! IF DINING CHAIR IS NOT STABLE, IT COULD LEAD TO DAMAGE THE PRODUCT.**

Ensure all bolts are fully locked into position.

The Dining Chair is ready to be used.

**CAUTION 2: This Dining Chair can only be used on a flat, level surface.**
