Base Type: G9 Base

Light Source Included: NO

Voltage: 230VAC

Wattage: 25W

### Package includes

1 x Chandelier Light

1 x Accessories Kit

1 x User's Manual

### Installation Instructions

A. Thread the wire (1) through the locking collar (2) and canopy (3). Adjust the wire to the desired length, then secure it by tightening the screw (4).

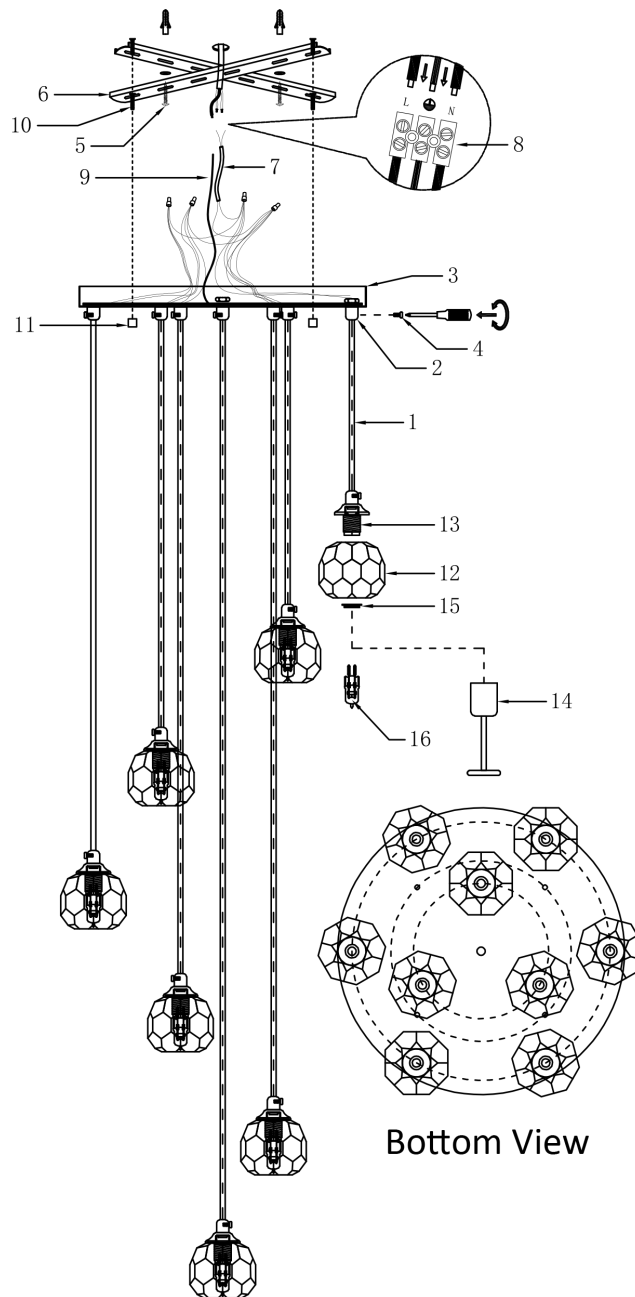

B. Use mounting screws (5) to firmly attach the mounting plate (6) to the ceiling.

C. Connect the fixture wires (7) to the corresponding wires from the power supply using the terminal block (8). Connect the ground wire (9) both from the fixture and power supply via the terminal block (8) to ensure proper grounding. Ensure no bare wires are exposed to prevent electric shock.

D. Insert the mounting studs (10) through the four small holes on the canopy (3), then fasten the decorative flat nuts (11) to secure the light fixture.

E. Attach the lampshade (12) to the fixture socket (13). Use the sleeve (14) to fix the lampshade in place by tightening the socket ring (15).

F. Fit the light bulbs (16) (not included) into the fixture socket (13).

**Note:** please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
