REACH Directive 1907/2006

In December 2006, the Regulation, Evaluation, and Authorisation and Restriction of Chemicals (REACH) was implemented by the European Parliament and the Council of the European Union.

Within the REACH framework, Don & Low Ltd is a downstream user. As a downstream user, Don & Low Ltd is responsible for the safe and correct use of chemicals.

Don & Low Ltd will have to rely on their suppliers to register all chemicals that may be used to make the raw materials that may be supplied to Don & Low Ltd.

On 18th June 2014, a total of 155 substances were included in the Candidate List of Substances of Very High Concern (SVHC) for authorisation.

Based on information provided by our raw material suppliers, Don & Low Ltd, can now confirm that the products supplied to your company as above, do not contain any of the Substances of Very High Concern included on the Candidate list of 18th June 2014.
