

WORLDS AWAY

DYLAN GR

Dylan in matte green lacquer is the perfect clover shaped sidekick to your game table.

Let the cigar table hug the corners for a convenient spot to place drinks and shared snacks. Flip the top to switch from charming inset grasscloth to smooth, easy to wipe matching matte lacquer – two looks in one!

INSET TOP CAN BE PUSHED UP FROM HOLE BELOW TABLE FOR FLIPPING

*Grasscloth has natural variations and may differ slightly between panels.
