

Marble Side Table

Assembly Guide

IMPORTANT: please read these instructions fully before starting assembly

**SAFETY AND
CARE ADVICE**

NO POWER TOOLS

- Check you have all the components and tools listed
- Remove all fittings from their bags and separate into groups
- We do not recommend use of power tools - this could damage the unit. Only use hand screwdrivers and Allen keys
- Keep children and animals away from the work area, small parts could cause choking if swallowed
- Make sure you have enough space to lay out the parts before starting
- Assemble the item as close to its final position (same room) as possible
- Do not over tighten the nuts to avoid damage to the threads
- Only clean using a damp cloth and mild detergent. Do not use bleach or abrasive cleaners
- Do not allow children to climb or play on this product
- From time to time, check there are no loose screws in this unit
- This product should not be discarded with household waste. Take to your local authority waste disposal centre
- Unless otherwise stated, this product is designed for domestic use and is not certified for commercial or contract settings.

IMPORTANT INFORMATION

15 Minute
Build

Two Person
Build

Max Weight
Capacity
50kg

Note: Assembly estimates are approximate and can differ based on the specific environment and user experience.

WHAT'S IN THE BOX

Note: the quantities are the correct amount to complete the assembly. In some cases more fixings may be supplied than are required.

Label	Part Name	Drawing	Quantity
1	Table Top		1
2	Leg Frame		1

Label	Hardware Description	Drawing	Size (mm)	Quantity
A	Connecting Plate		120 x 20	3
B	Allen Screw		M8 x 20	6
C	Allen Screw		M8 x 20	6
D	Flat Washer		Ø8 x 22	6
E	Felt Pad		Ø30	5
F	Allen Key		M5	1

Note:

- Use a clear, flat surface to avoid bumps or scratches before assembling.
- Insert all fixings loosely at first to allow for alignment; only tighten them once everything is properly positioned, as some adjustment may be required.
- Avoid over-tightening, as this may damage the parts.
- Seek assistance when moving large or heavy parts

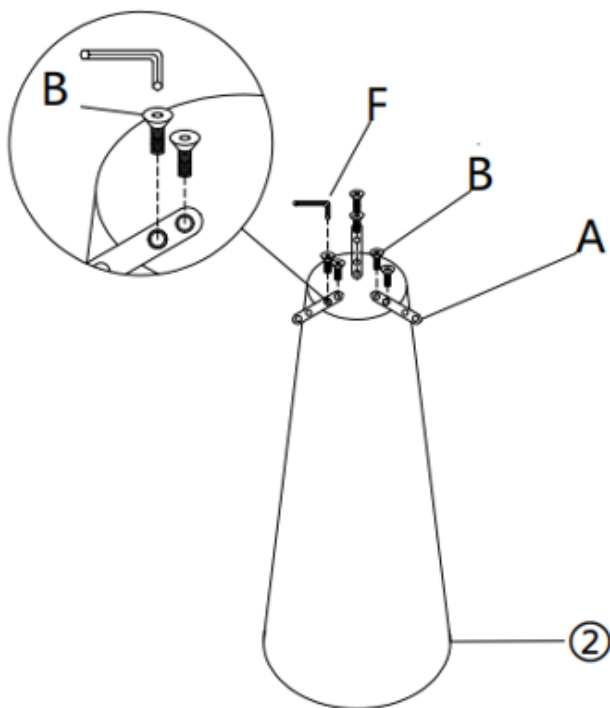

STEP 1

Align the 3x connecting plates [A] with pre-drilled holes on 1x leg frame [2] and secure using 6x Allen screws [B]. Fully tighten screws with the Allen key [F].

NOTE: The Connector plates are not reversible. Before fitting, check the hole depth on each end;

- Deep tapered hole - Attaches to the BASE
- Straight, Flat hole - Attaches to the Table Top

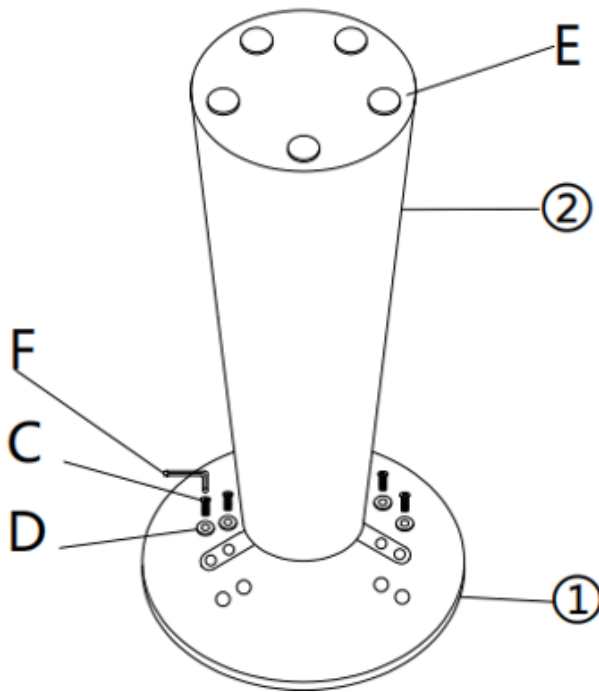

NOTE: Incorrect installation will prevent assembly.

STEP 2

Place the table top [1] upside down on a soft flat surface. Align the leg frame [2] onto the table top [1] and secure via the connecting plates [A] using 6x washers [D] and 6x screws [C].

Fully tighten the fixings with Allen key [F]

STEP 3

Peel off the backing from felt pads [E]. Align each felt pad with marked positions on the base, then press firmly for 30 seconds to stick well.

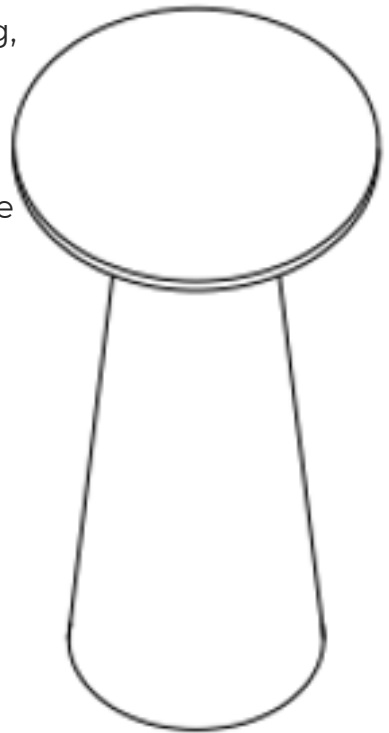

NOTE: Ensure surface is clean and dry before applying felt pads.

STEP 4

Carefully, and with help, turn the table over to stand on the base. Check stability.

NOTE: If experiencing any wobbling, slightly loosen the fixings between the legs and the table top. Allow the table to settle into a level position, apply some pressure to the top and fully tighten all fixings.

Your table is now ready to use!

Please ensure any and all fixings and fittings are FULLY tightened before using this product

our 2 year GUARANTEE

Our products come with a 2 year guarantee, giving you extra peace of mind when shopping with us!

What the guarantee covers

PRE-INSERTED FIXINGS

e.g. loose metal threads

FAULTY JOINTS

e.g. legs bending

EXTERNAL FIXING FAULTS

e.g. metal discs removing
from table top

STRUCTURAL INTEGRITY

e.g. the frame of the
product
