

# LIKIMIO

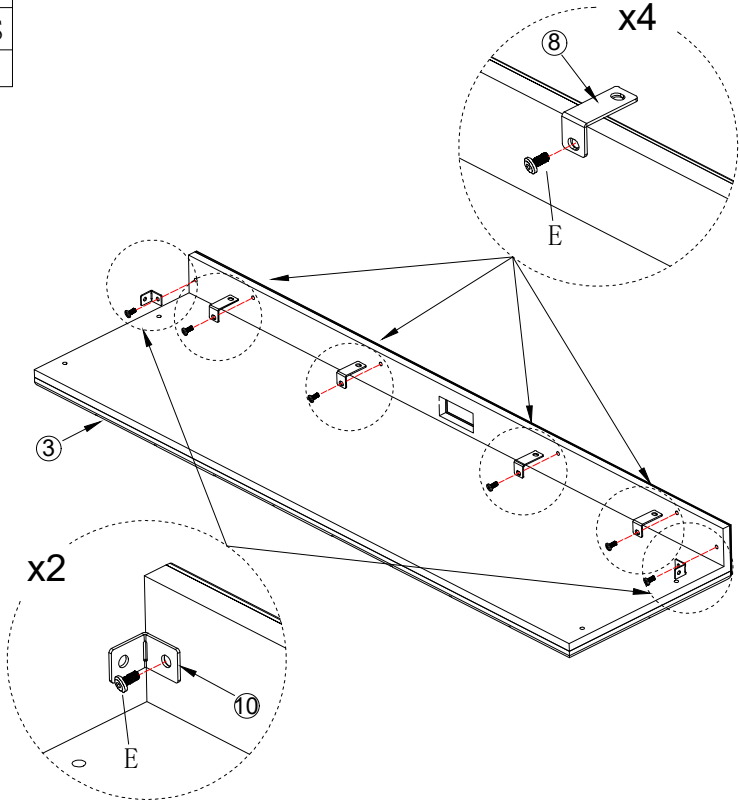

Please don't tighten the screws completely and go back later for a final tightening of all the screws after pieces are aligned with each other.

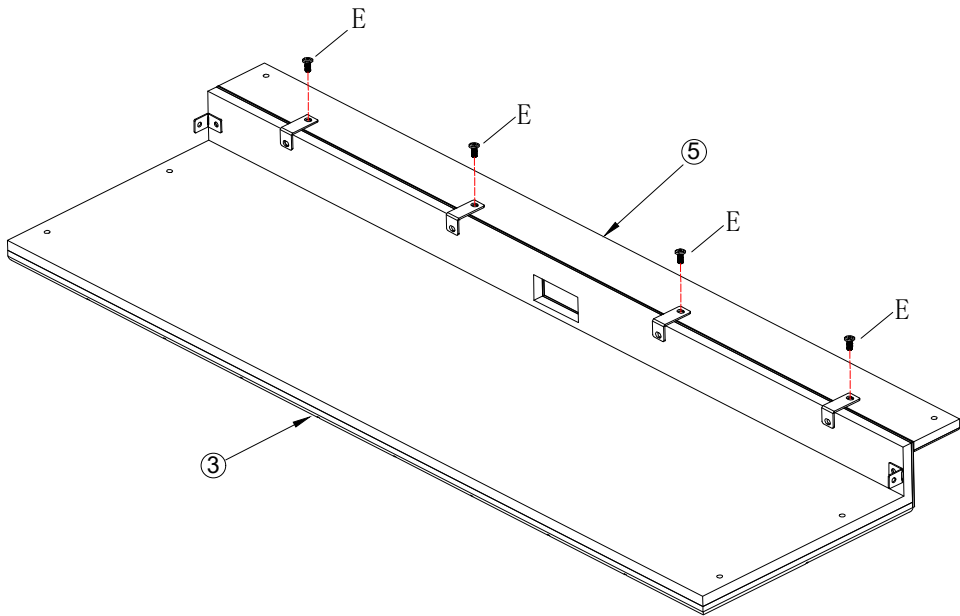

For easier and better assembly, **2** or more adults are required.

| Step1 |                                                                                   |       |      |
|-------|-----------------------------------------------------------------------------------|-------|------|
| E     |  | M6*15 | 6PCS |
| H     |  | S4    |      |

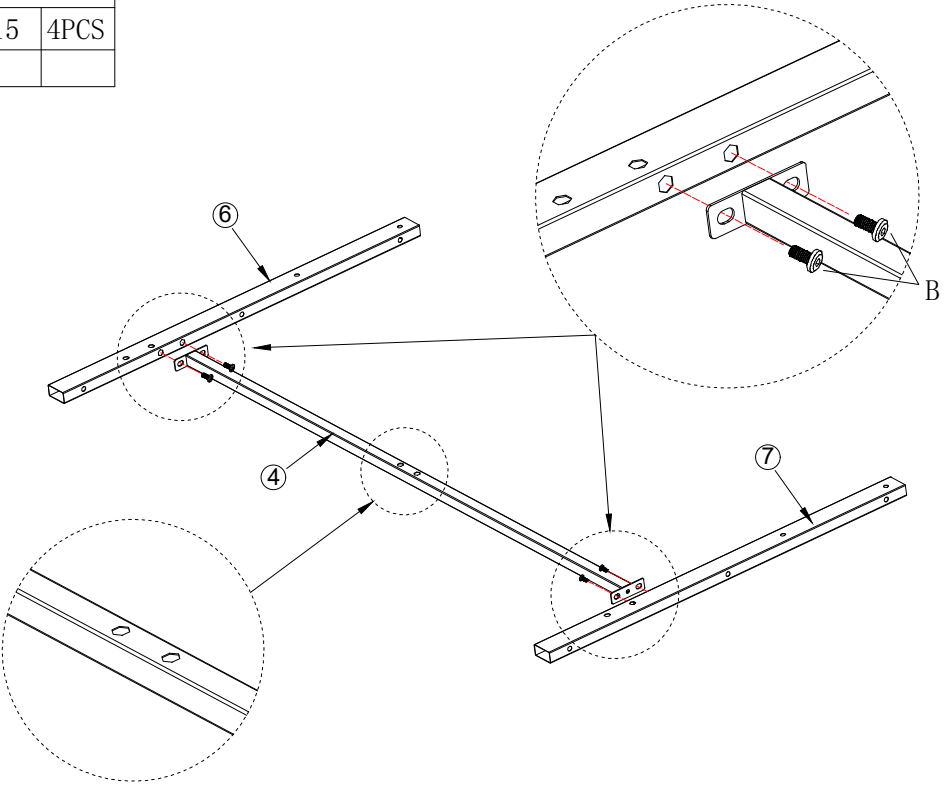

| Step2 |                                                                                     |       |      |
|-------|-------------------------------------------------------------------------------------|-------|------|
| E     |  | M6*15 | 4PCS |
| H     |  | S4    |      |

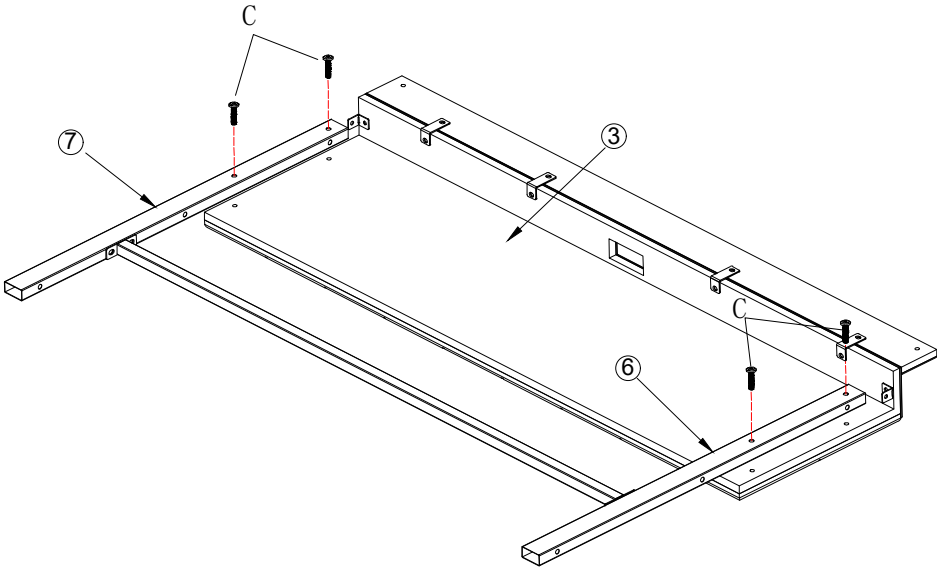

Step3

|   |                                                                                   |       |      |
|---|-----------------------------------------------------------------------------------|-------|------|
| B |  | M8*15 | 4PCS |
| H |  | S4    |      |

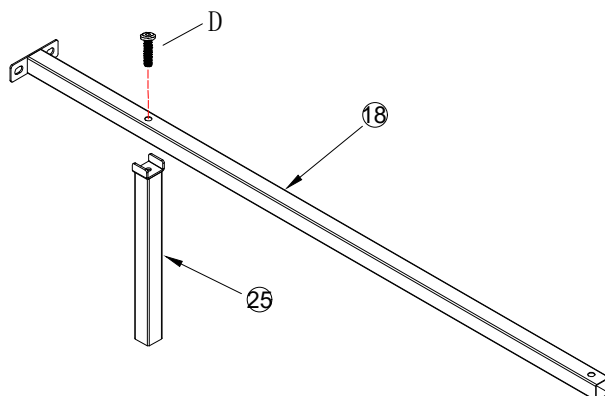

Step4

|   |                                                                                     |       |      |
|---|-------------------------------------------------------------------------------------|-------|------|
| C |  | M8*40 | 4PCS |
| H |  | S4    |      |

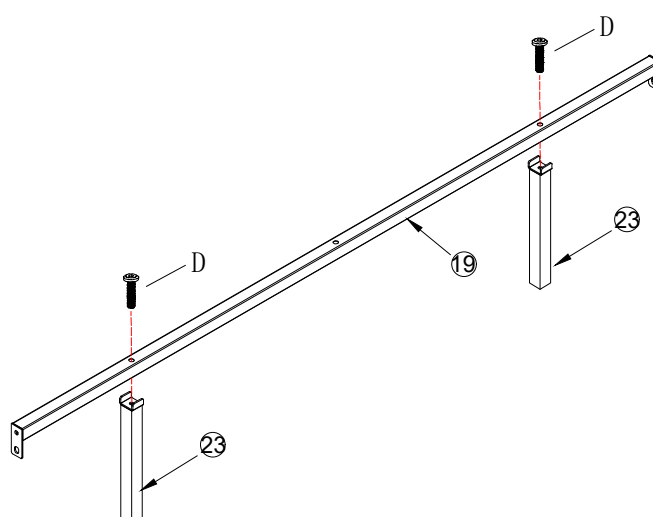

### Step5

|   |                                                                                   |       |     |
|---|-----------------------------------------------------------------------------------|-------|-----|
| D |  | M8*35 | 1PC |
| H |  | S4    |     |

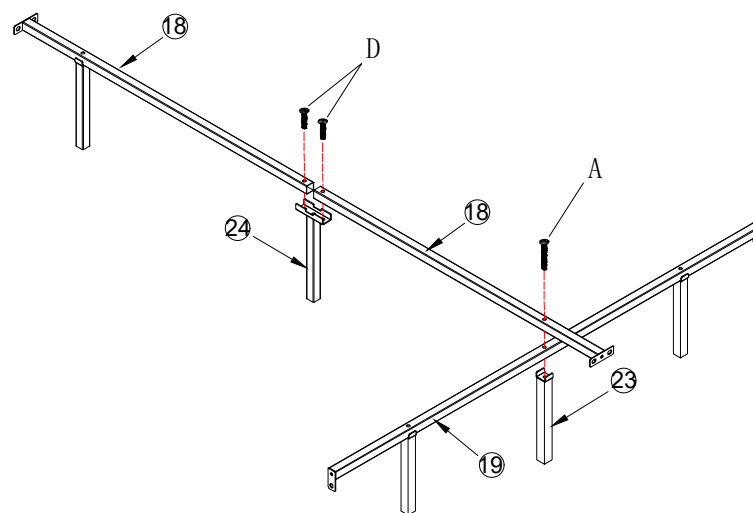

### Step6

|   |                                                                                     |       |      |
|---|-------------------------------------------------------------------------------------|-------|------|
| D |  | M8*35 | 2PCS |
| H |  | S4    |      |

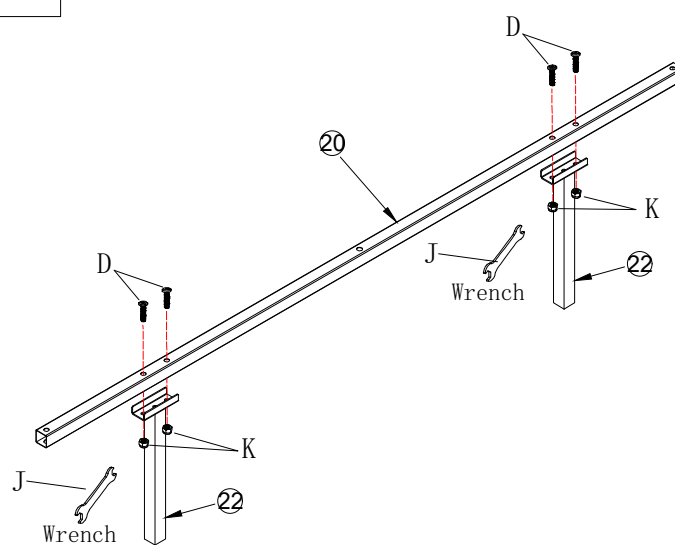

### Step7

|   |                                                                                   |       |      |
|---|-----------------------------------------------------------------------------------|-------|------|
| A |  | M8*65 | 1PC  |
| D |  | M8*35 | 2PCS |
| H |  | S4    |      |

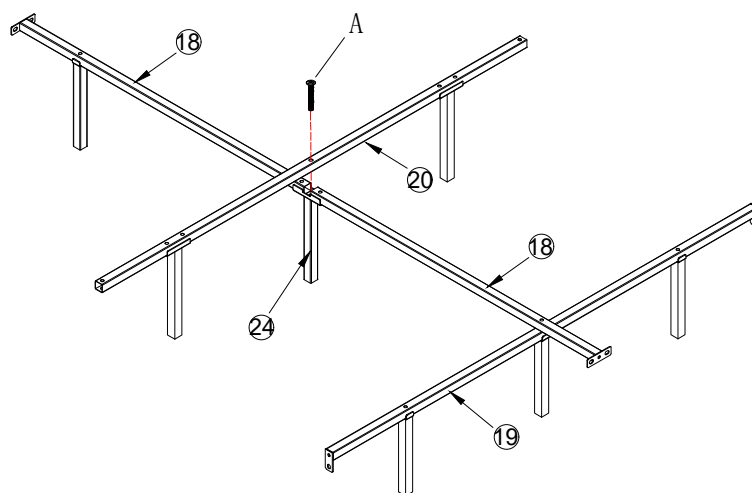

### Step8

|   |                                                                                     |          |      |
|---|-------------------------------------------------------------------------------------|----------|------|
| D |  | M8*35    | 4PCS |
| K |  | M8       | 4PCS |
| J |  | S10, S13 |      |
| H |  | S4       |      |

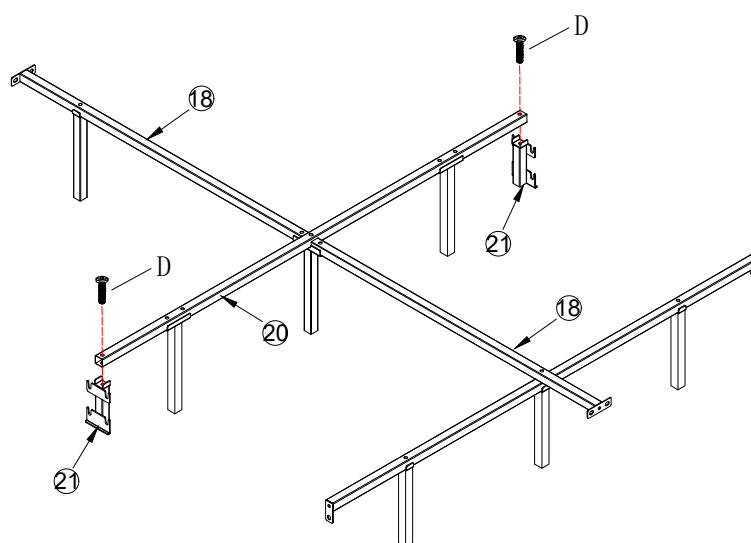

### Step9

|   |                                                                                   |       |     |
|---|-----------------------------------------------------------------------------------|-------|-----|
| A |  | M8*65 | 1PC |
| H |  | S4    |     |

### Step10

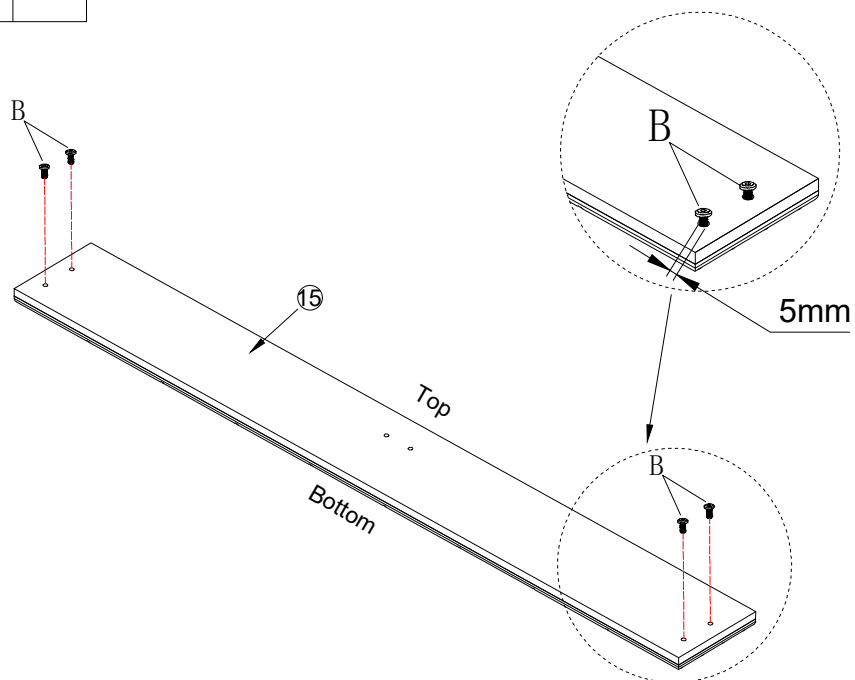

|   |                                                                                     |       |      |
|---|-------------------------------------------------------------------------------------|-------|------|
| D |  | M8*35 | 2PCS |
| H |  | S4    |      |

### Step11

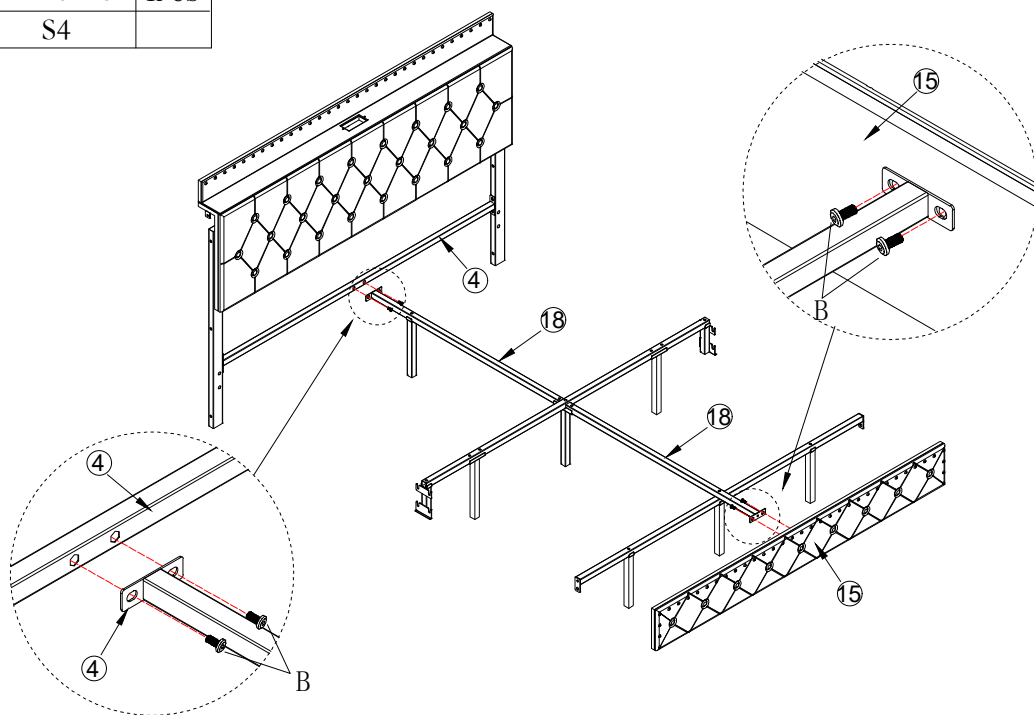

|   |                                                                                   |       |      |
|---|-----------------------------------------------------------------------------------|-------|------|
| B |  | M8*15 | 4PCS |
| H |  | S4    |      |

Please pay attention to the direction during assembly

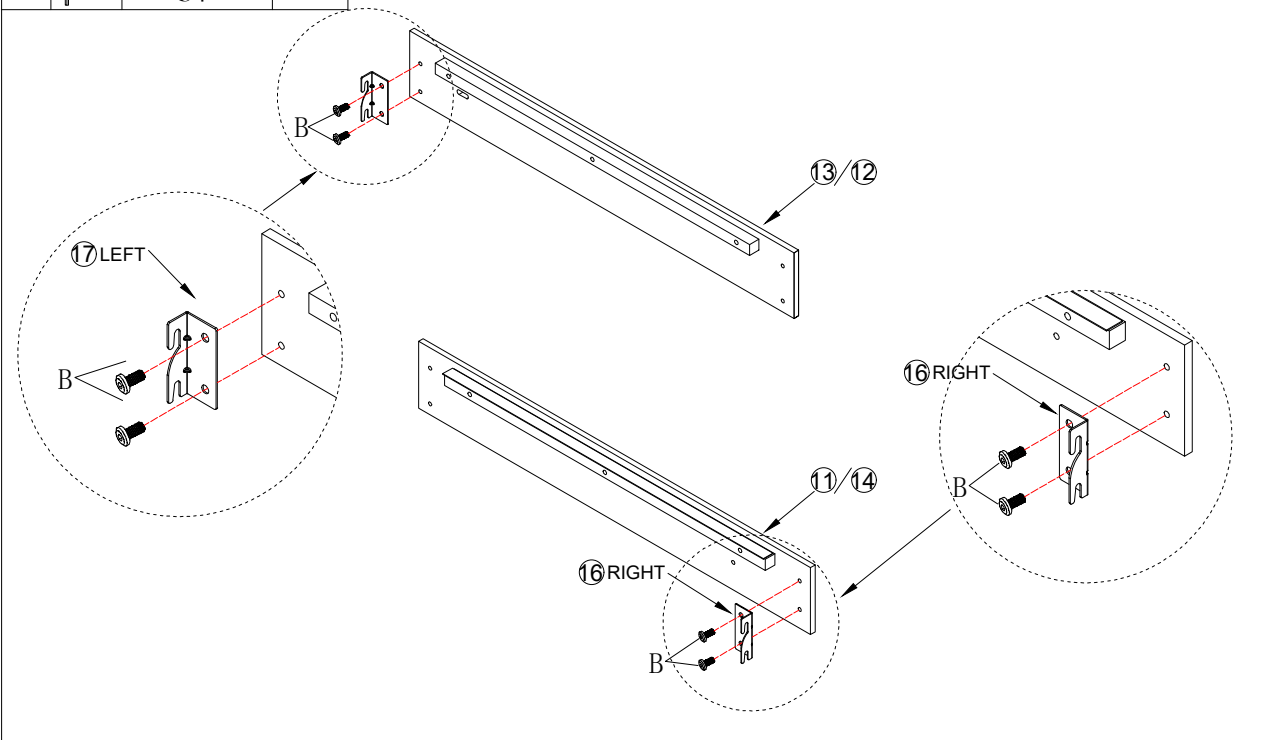

### Step12

|   |                                                                                     |       |      |
|---|-------------------------------------------------------------------------------------|-------|------|
| B |  | M8*15 | 4PCS |
| H |  | S4    |      |

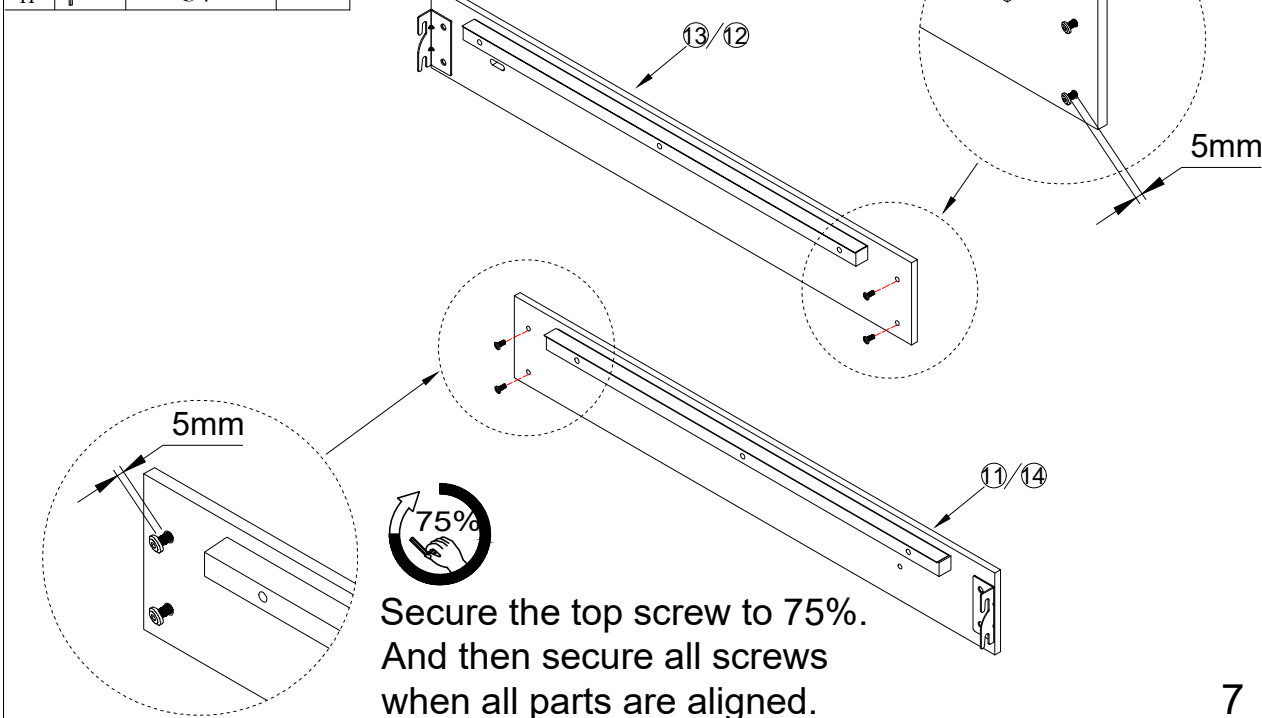

### Step13

|   |                                                                                   |       |      |
|---|-----------------------------------------------------------------------------------|-------|------|
| B |  | M8*15 | 8PCS |
| H |  | S4    |      |

### Step14

|   |                                                                                     |       |      |
|---|-------------------------------------------------------------------------------------|-------|------|
| B |  | M8*15 | 8PCS |
| H |  | S4    |      |

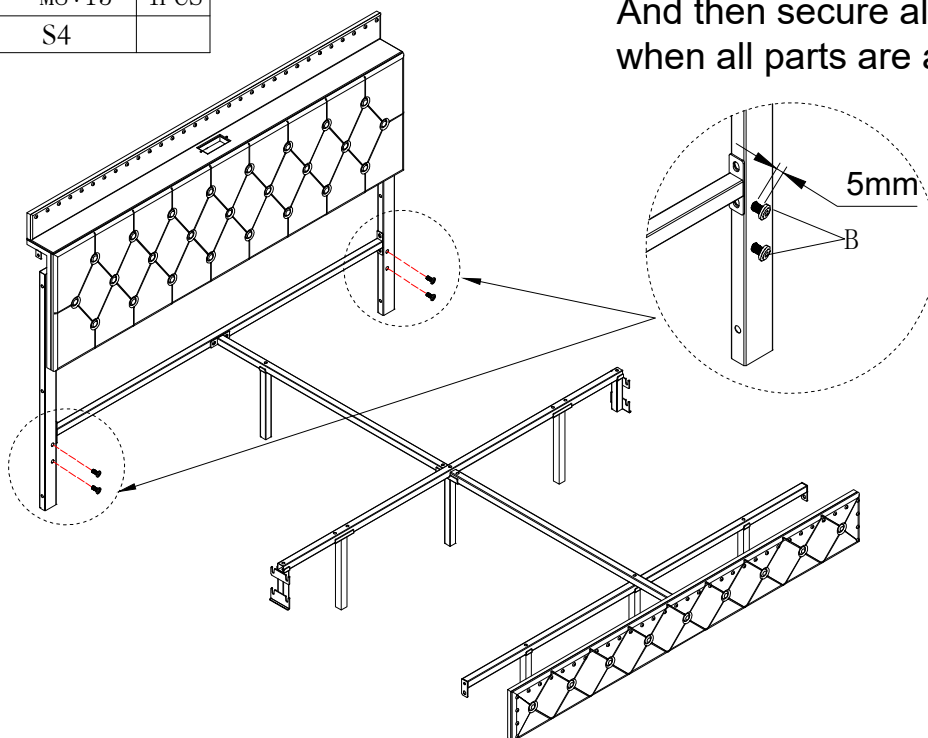

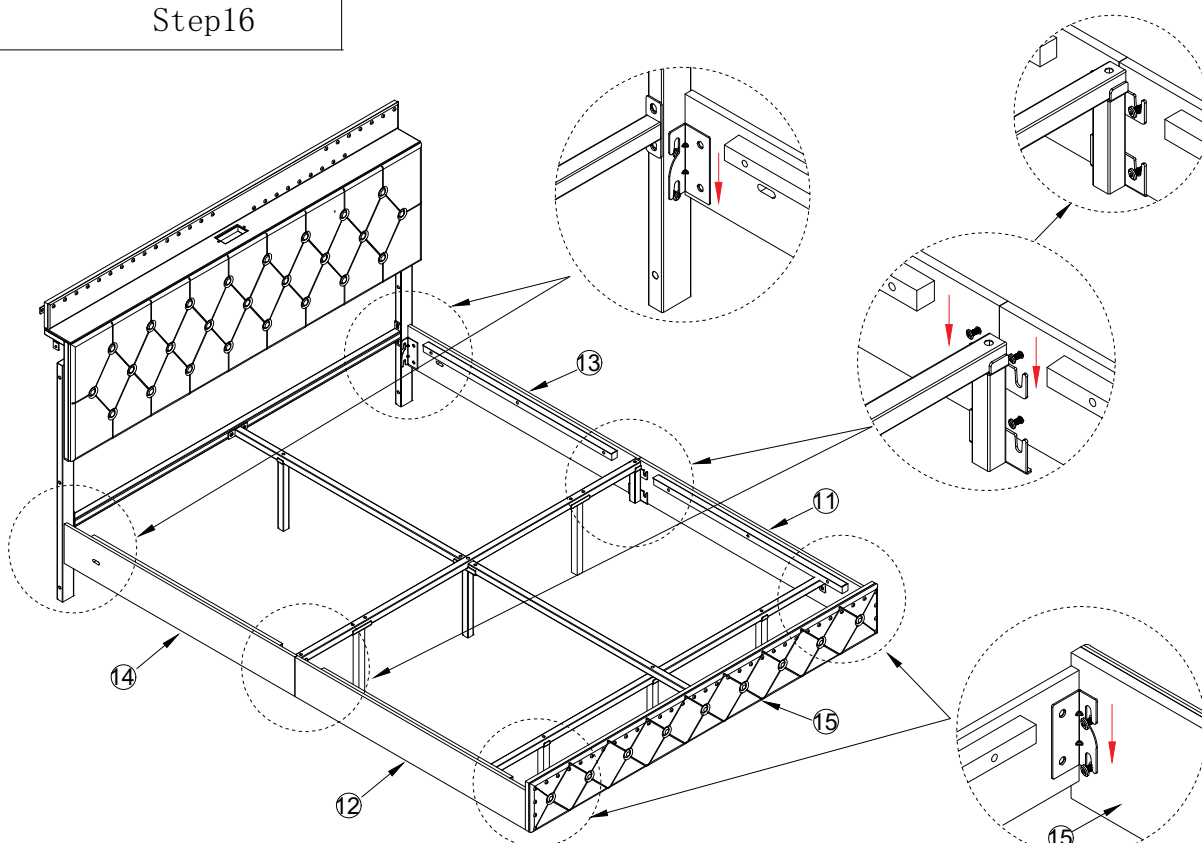

### Step15

|   |                                                                                   |       |      |
|---|-----------------------------------------------------------------------------------|-------|------|
| B |  | M8*15 | 4PCS |
| H |  | S4    |      |

Secure the top screw to 75%.  
And then secure all screws  
when all parts are aligned.

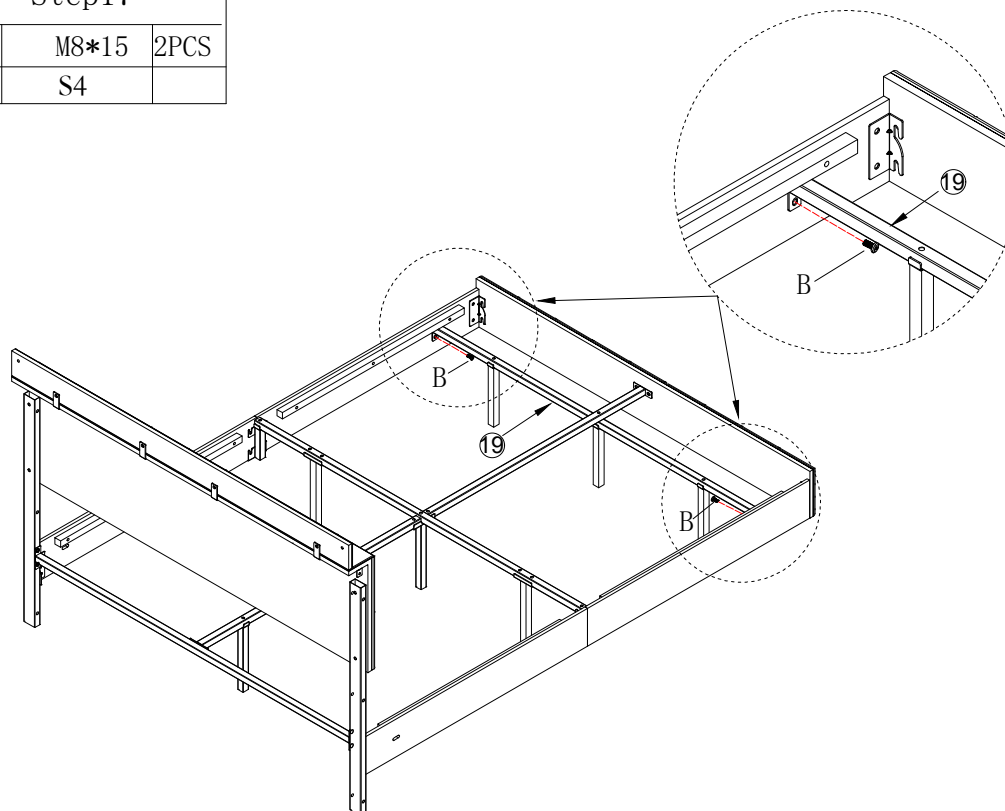

### Step16

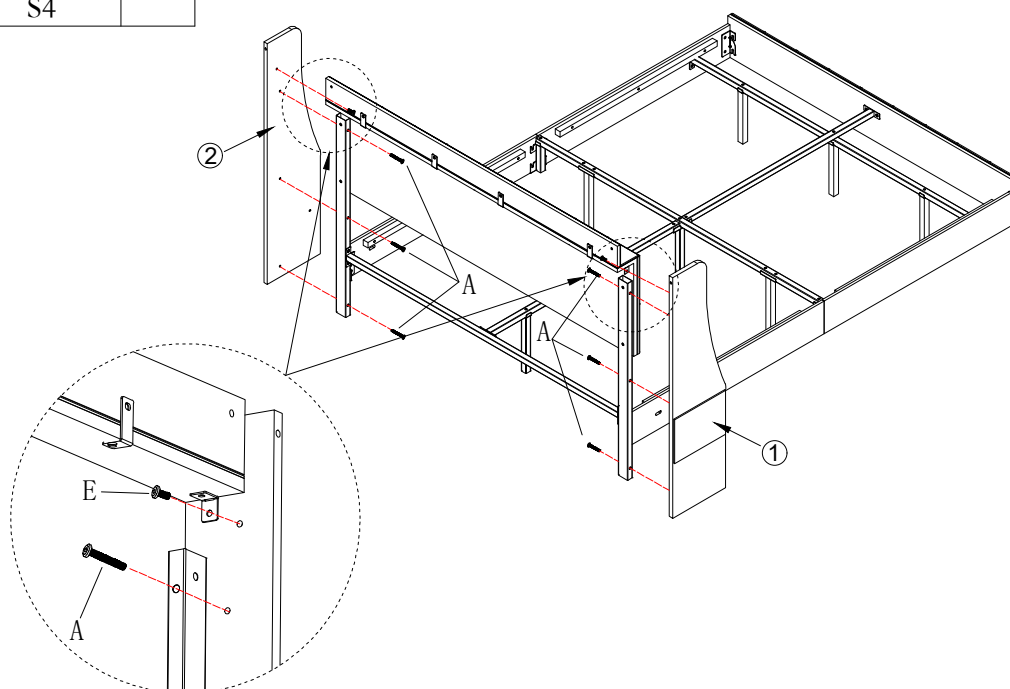

### Step17

|   |                                                                                   |       |      |
|---|-----------------------------------------------------------------------------------|-------|------|
| B |  | M8*15 | 2PCS |
| H |  | S4    |      |

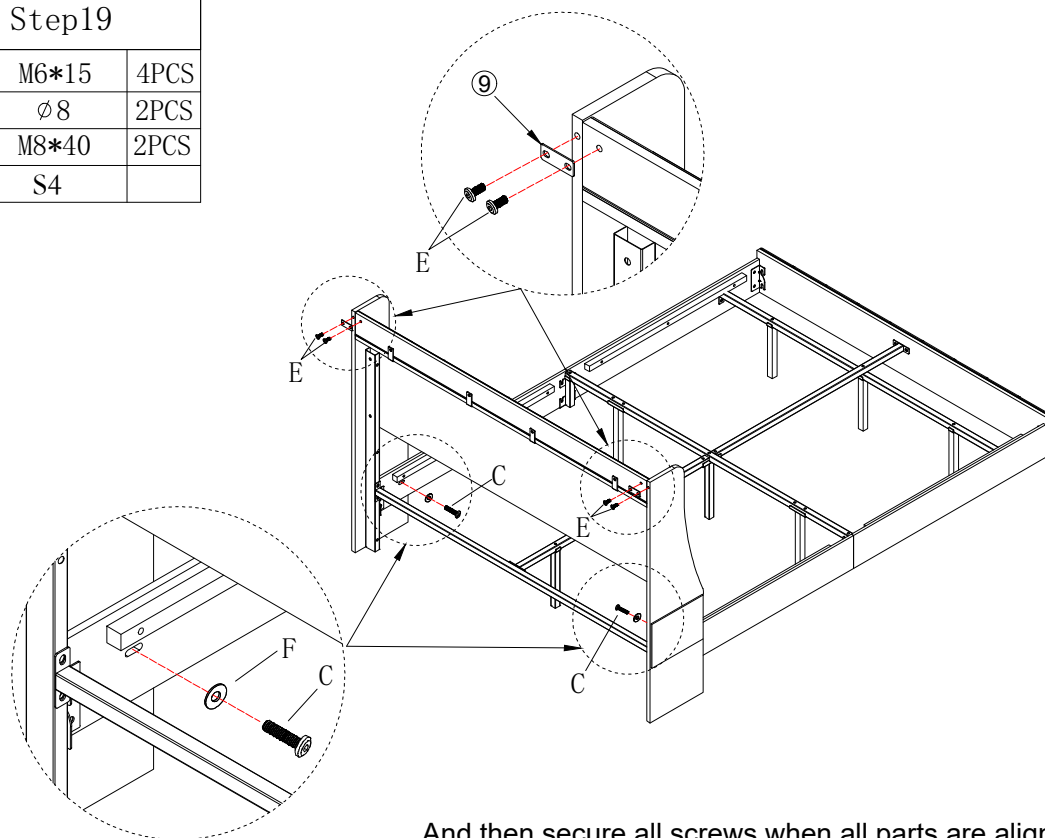

### Step18

|   |                                                                                     |       |      |
|---|-------------------------------------------------------------------------------------|-------|------|
| A |  | M8*65 | 6PCS |
| E |  | M6*15 | 2PCS |
| H |  | S4    |      |

### Step19

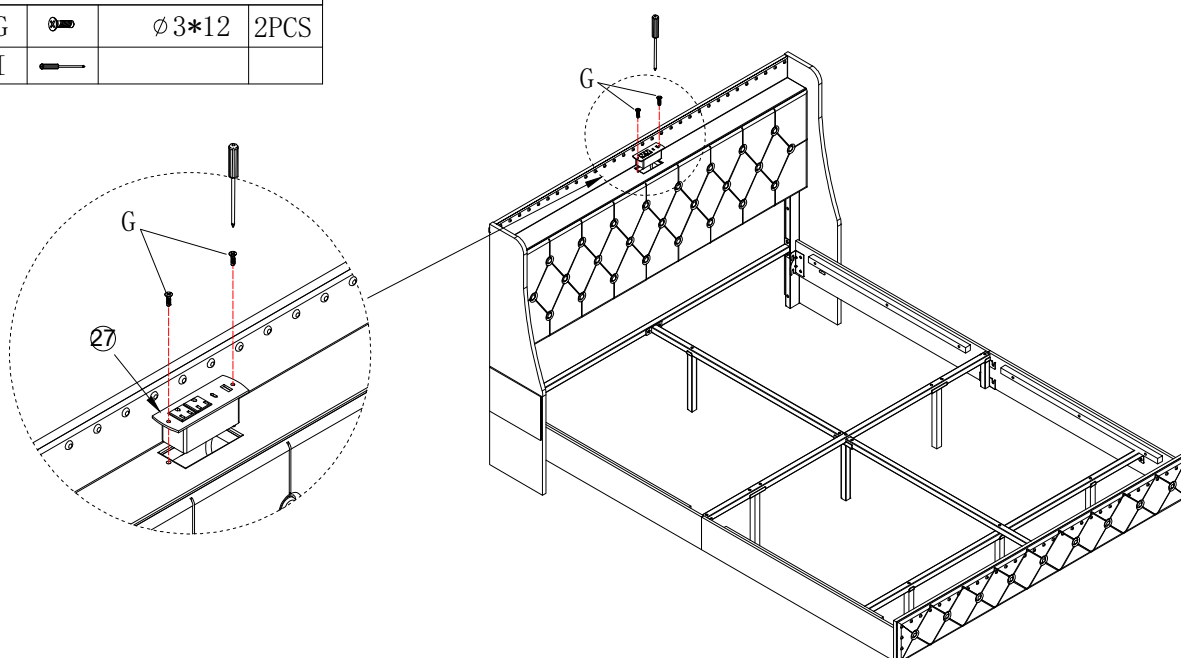

|   |                                                                                   |       |      |
|---|-----------------------------------------------------------------------------------|-------|------|
| E |  | M6*15 | 4PCS |
| F |  | ∅8    | 2PCS |
| C |  | M8*40 | 2PCS |
| H |  | S4    |      |

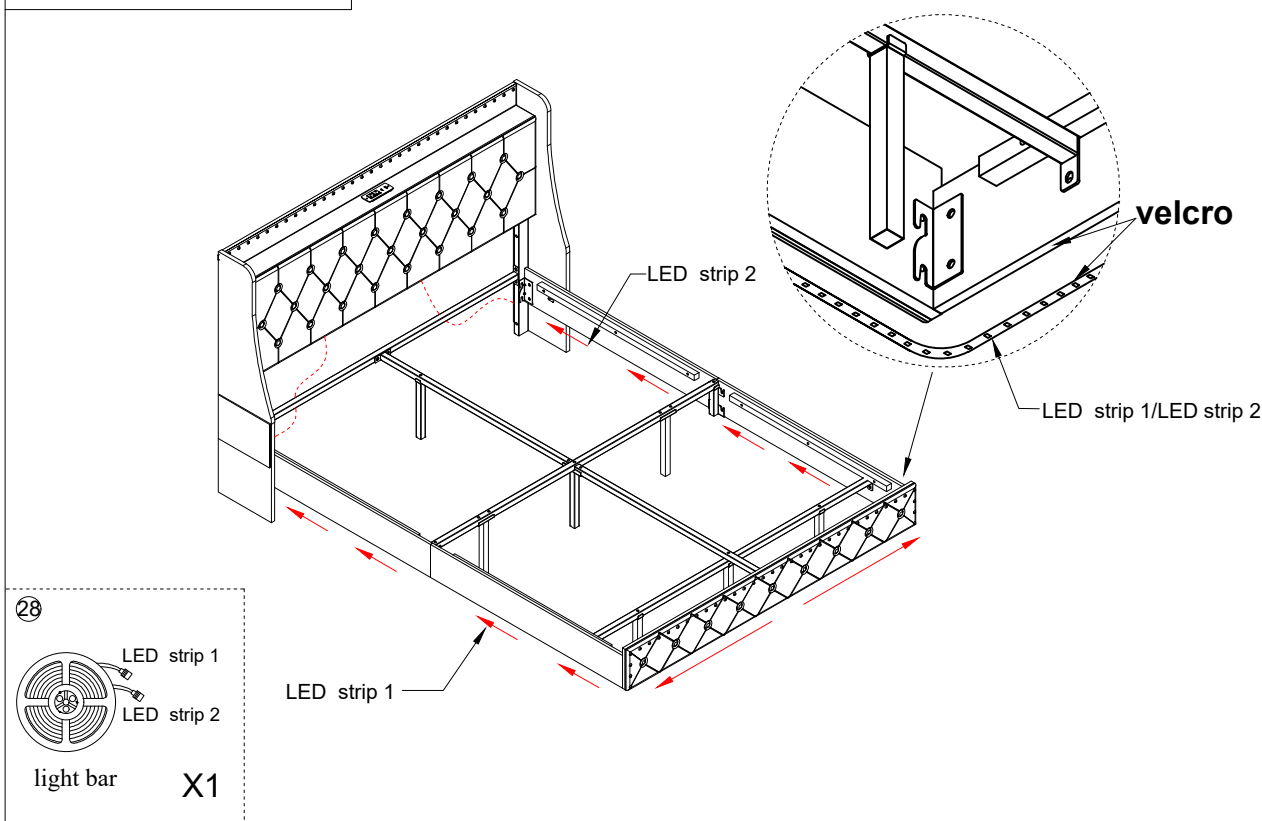

And then secure all screws when all parts are aligned.

### Step20

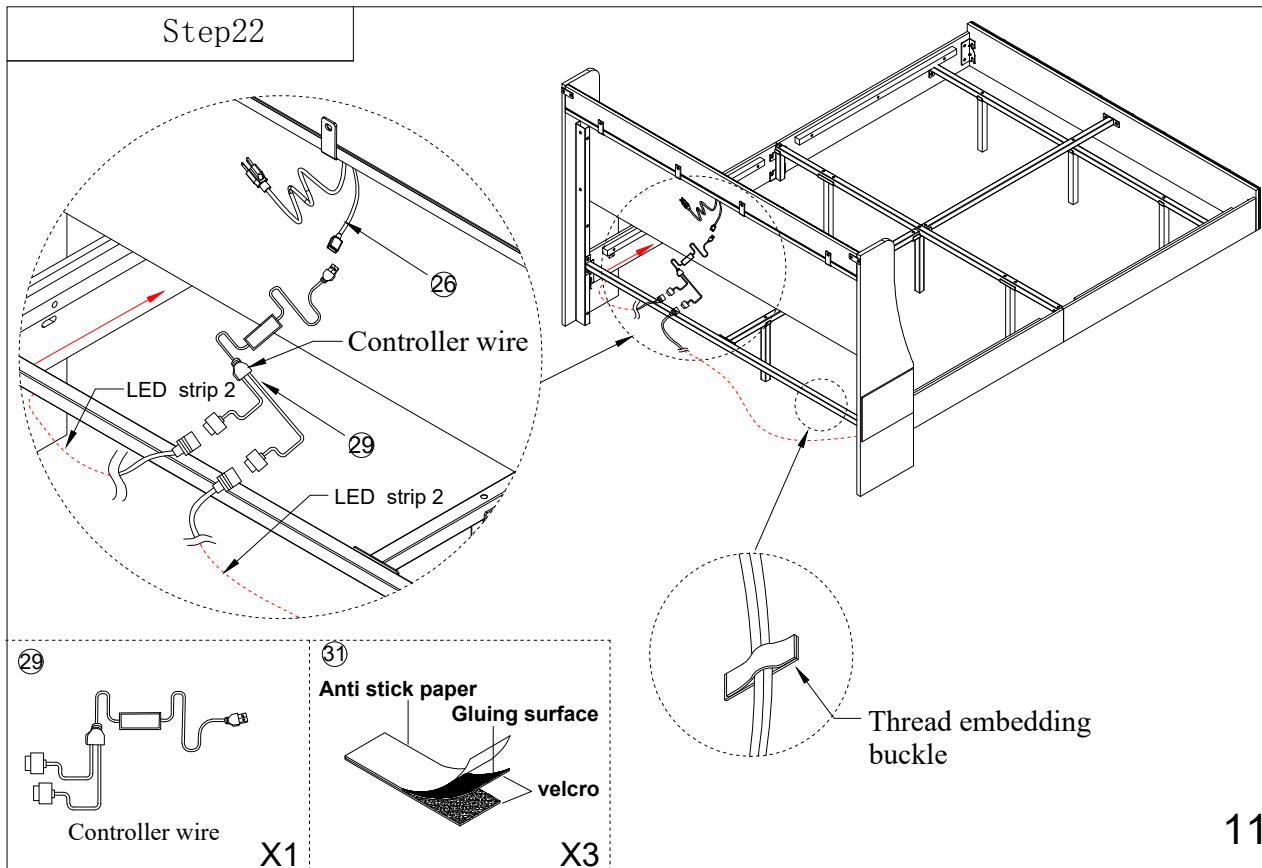

|   |                                                                                     |       |      |
|---|-------------------------------------------------------------------------------------|-------|------|
| G |  | ∅3*12 | 2PCS |
| I |  |       |      |
