

## Installation and Use:

1. Insert the expansion tube into the drilled hole, flush with the wall.
2. Fix the wall-mounted base to the wall with screws.
3. Insert the lamp body into the wall-mounted base.
4. Put on the lampshade.
5. Tighten the lampshade to the holder with accessories.
6. Insert the bulb into the base

## Product Parameter

Material: Metal + Plastic

Color: Gold

Power: 2W

Package: 2 plastic wall lamps, 2 rechargeable RGB LED bulbs, 2 remote controls, 2 USB charging cable (Type-C), mounting screws, 1 installation instructions.

## Bulb specifications:

Lamp head type: E26/E27

Input voltage: DC 5V , power: 2W

Input Current:1A(Ref)

Brightness: 150LM

Color temperature: 3000K-6500K

Battery capacity: lithium battery 2000mAh

Battery life: about 350 times

Product life: 20000H, size: 60\*108mm

Charging time: 4-6H, Discharge duration: 6-8H

Charging cable: USB Type-C 0.5M
