IMPORTANT

This warranty applies only to the original consumer purchaser and only to products used in normal use and service. If this product is found to be defective, the manufacturer's only obligation, and your exclusive remedy, is the repair or replacement of the product at the manufacturer's discretion, provided that the product has not been damaged through misuse, abuse, accident, modifications, alterations, neglect, or mishandling.

This warranty shall not apply to any product that is found to have been improperly installed, set-up, or used in any way not in accordance with the instructions supplied with the product.

This warranty shall not apply to a failure of the product as a result of an accident, misuse, abuse, negligence, alteration, faulty installation, or any other failure not relating to faulty material or workmanship.

The manufacturer does not warrant and specifically disclaims any warranty, whether express or implied, of fitness for a particular purpose, other than the warranty contained

herein. The manufacturer specifically disclaims any liability and shall not be liable for any consequential or incidental loss or damage, including but not limited to any labor / expense costs involved in the replacement or repair of said product.

Switch off the main electrical supply from the fuse box/circuit breaker before installing the unit or doing any maintenance.

Do not use outdoor.

WARNING:

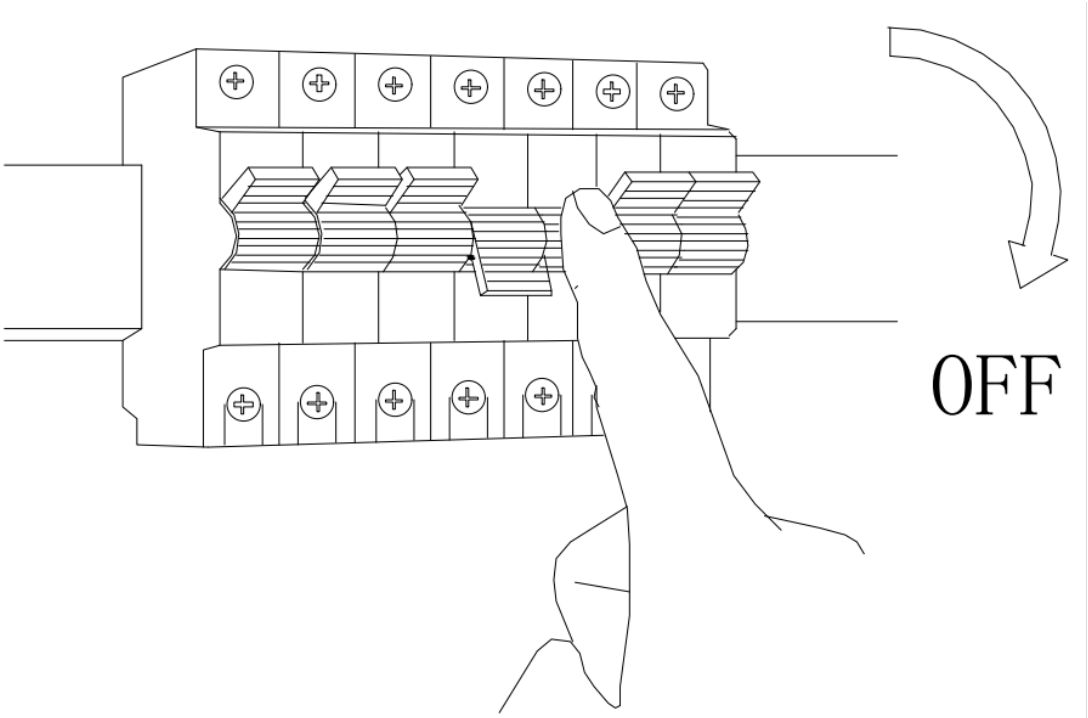

Risk of electrical shock.

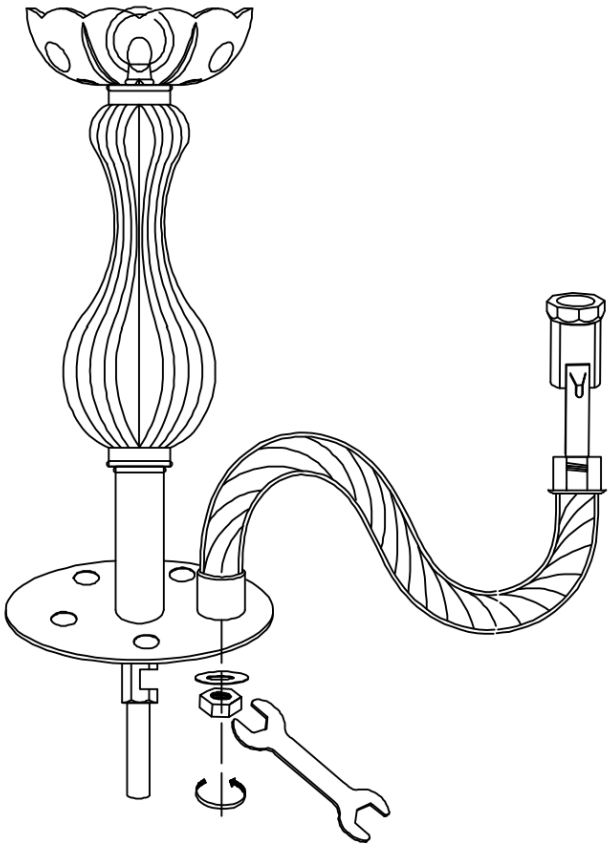

Turn off breaker at the panel.

INSTALLATION

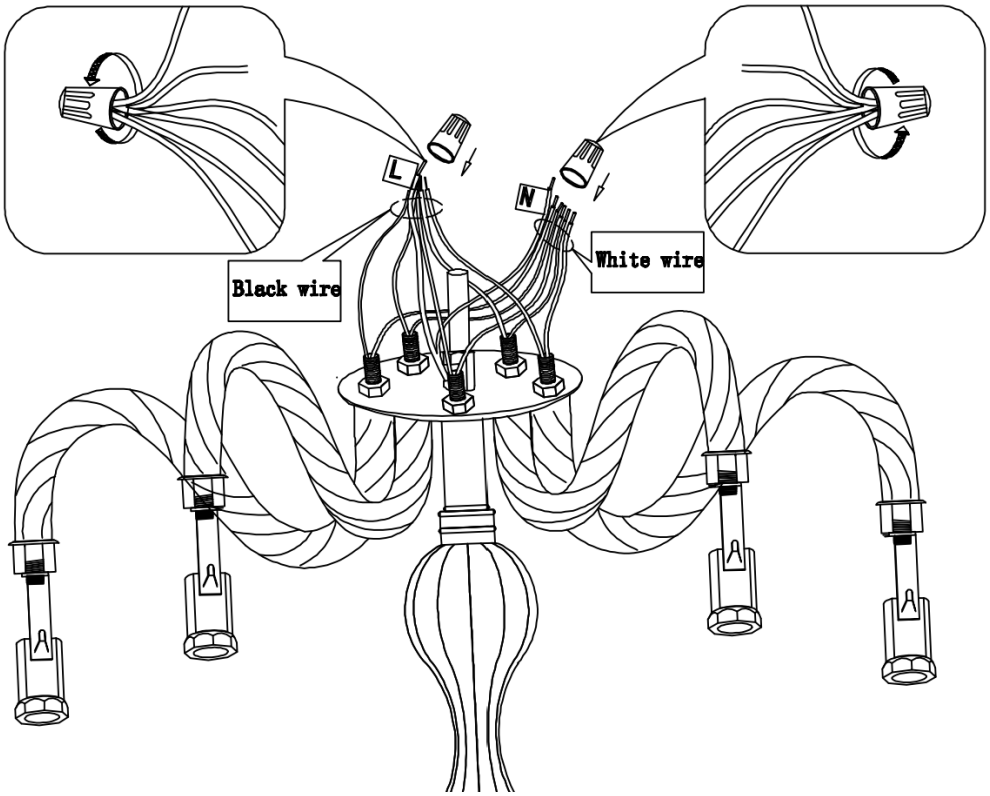

WARNING: First of all, turn off the power at the main fuse box!

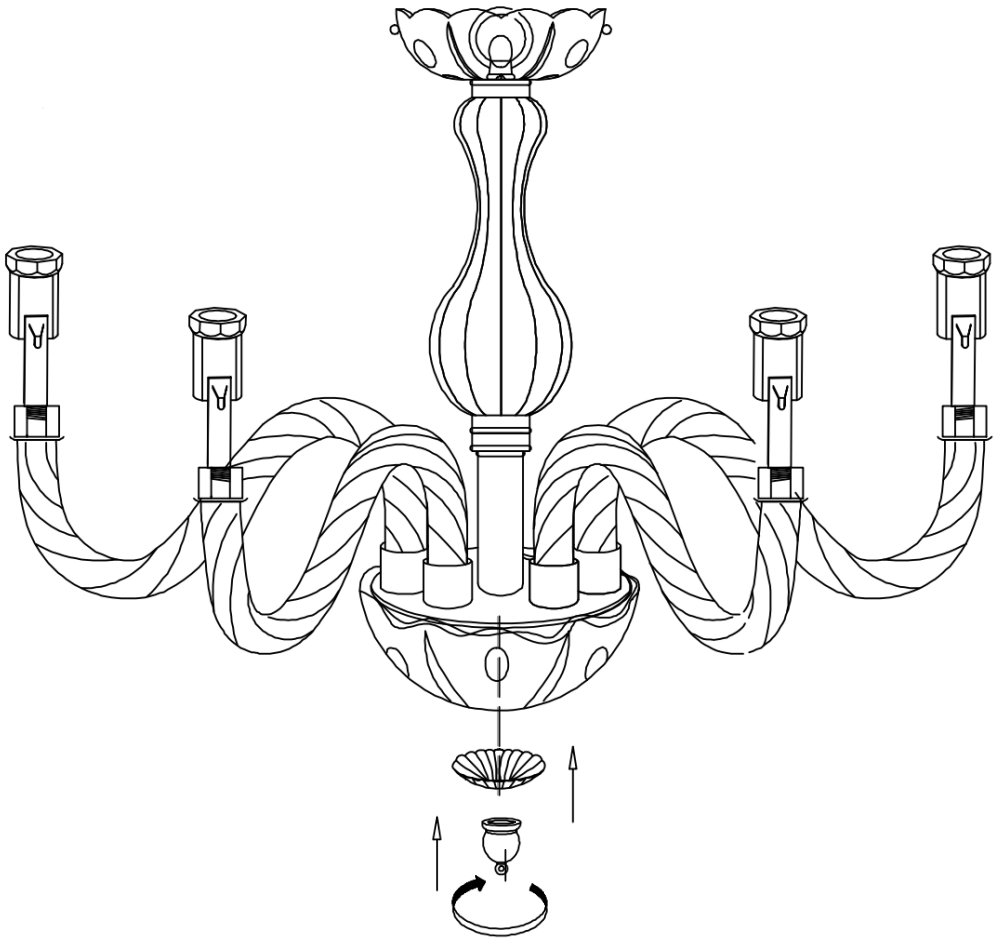

1. Unscrew the nut and gasket from each arm, and then fix the arms on central column by screw the nut and gasket back.

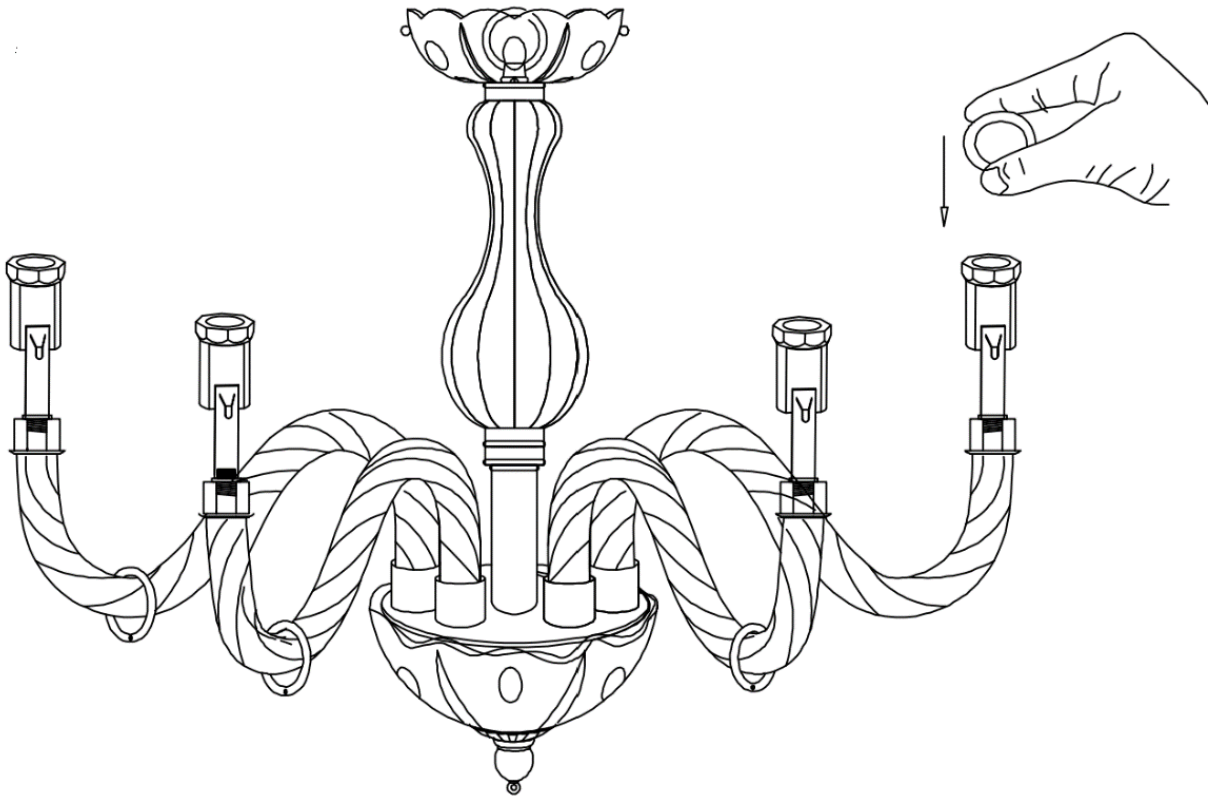

2. Twist all "L" & "N" wires together separately with wire connectors.

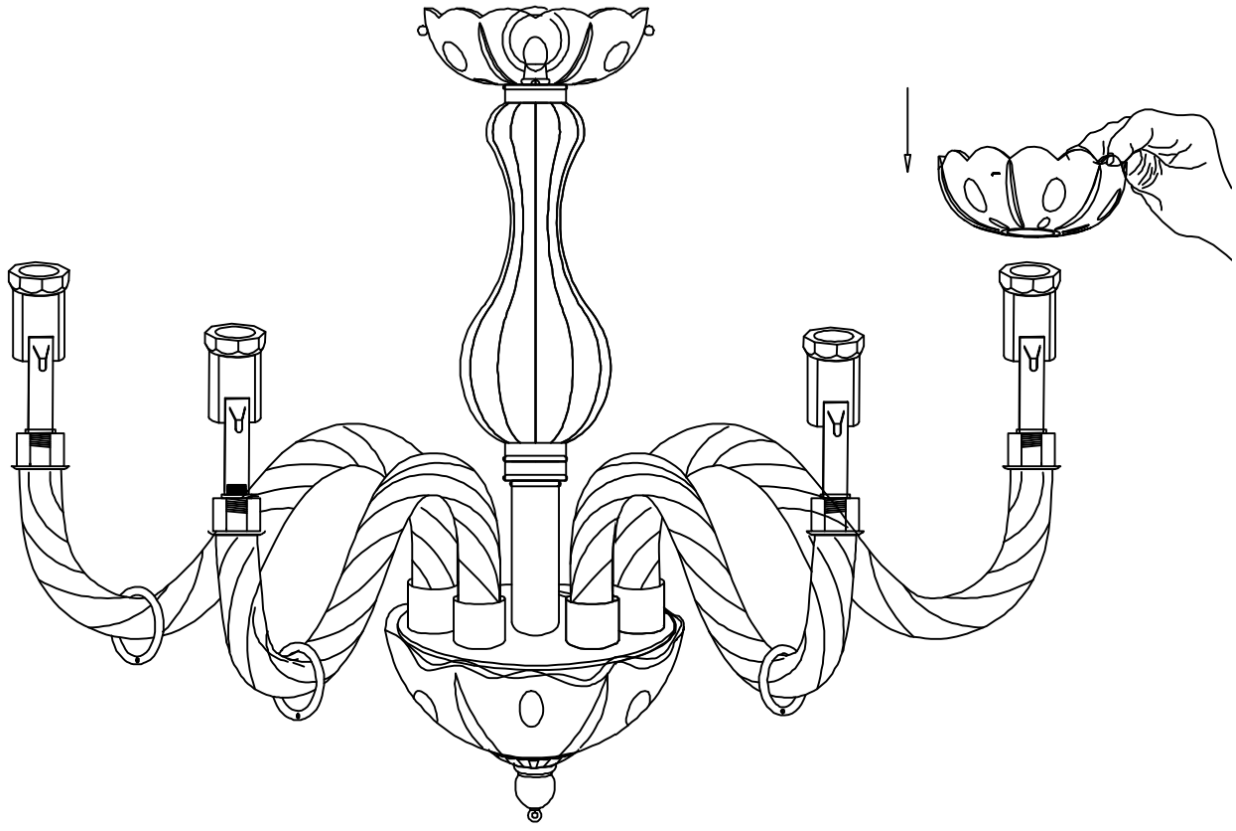

3. Screw bottom bowl to central column.

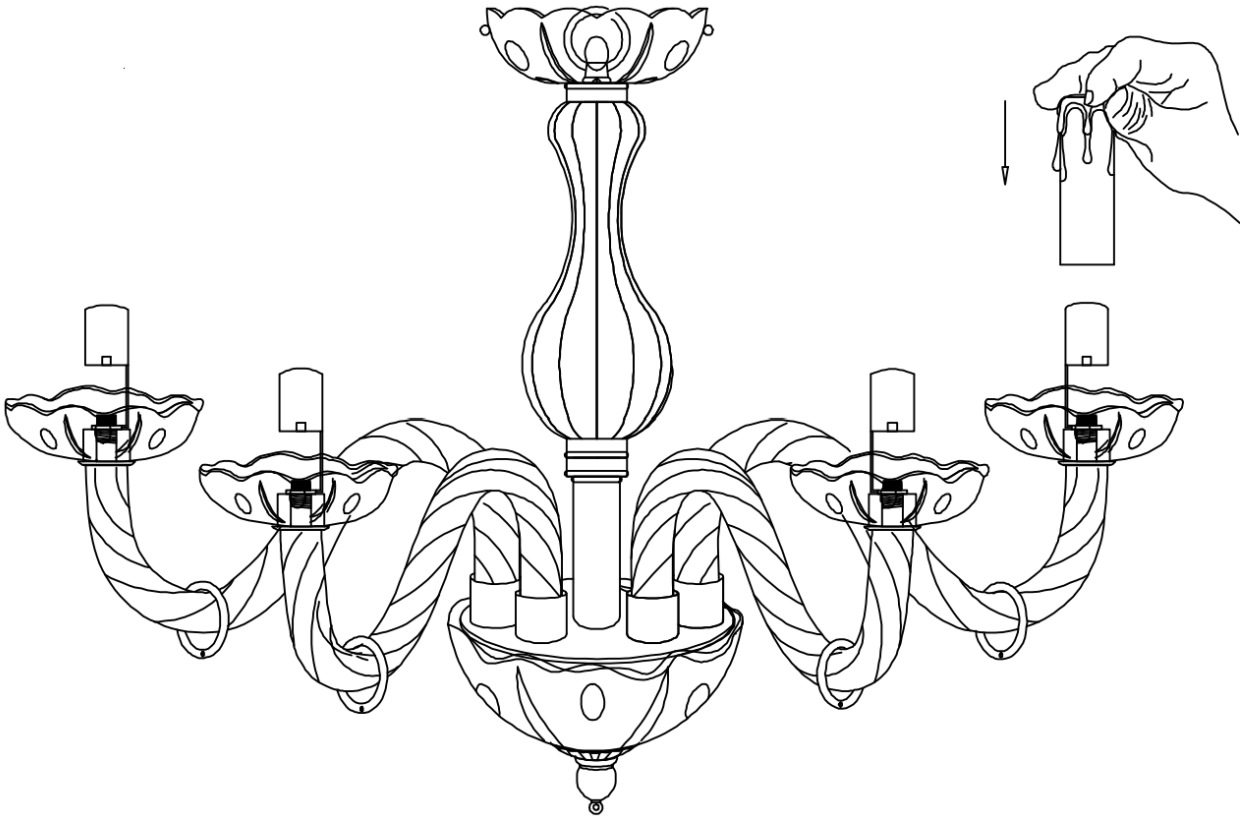

4. Put arm rings on each arm.

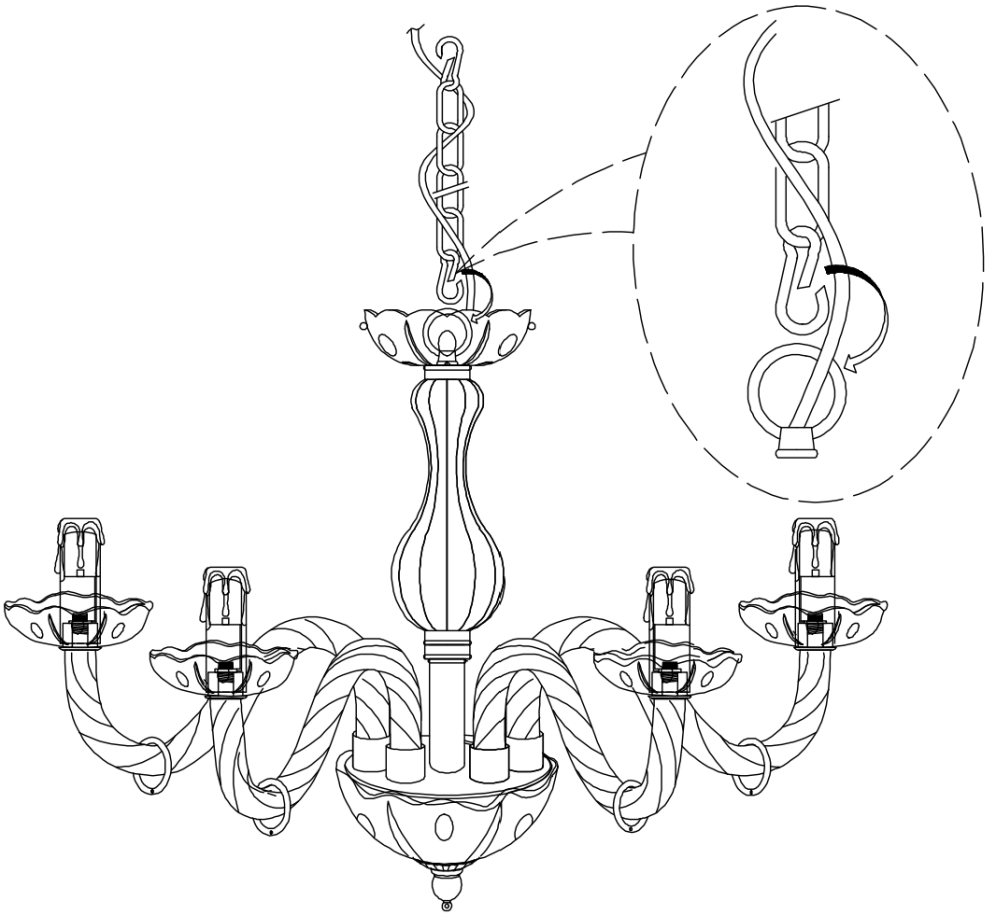

5. Put bowls on each bulb base.

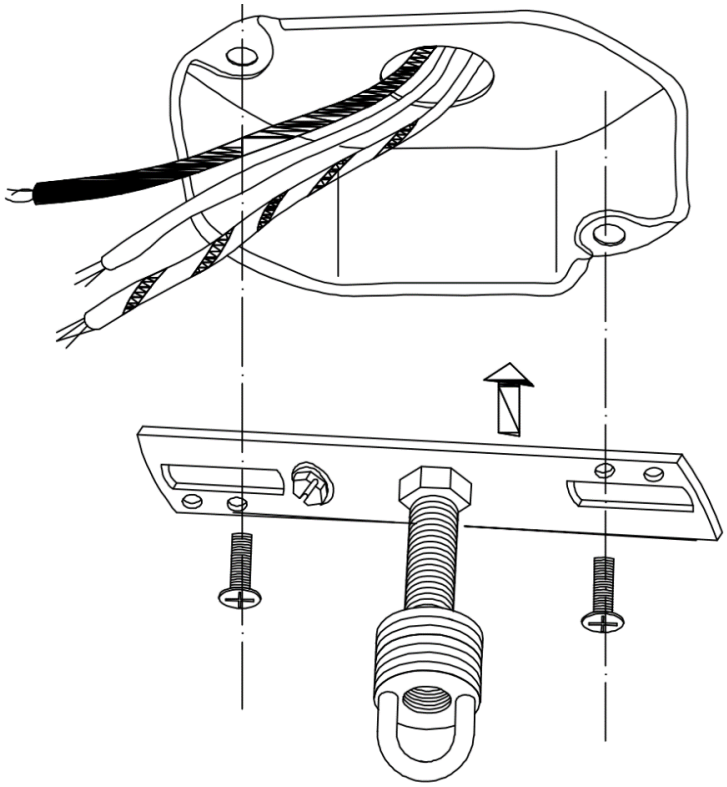

6. Put candle tubes on each bulb base.

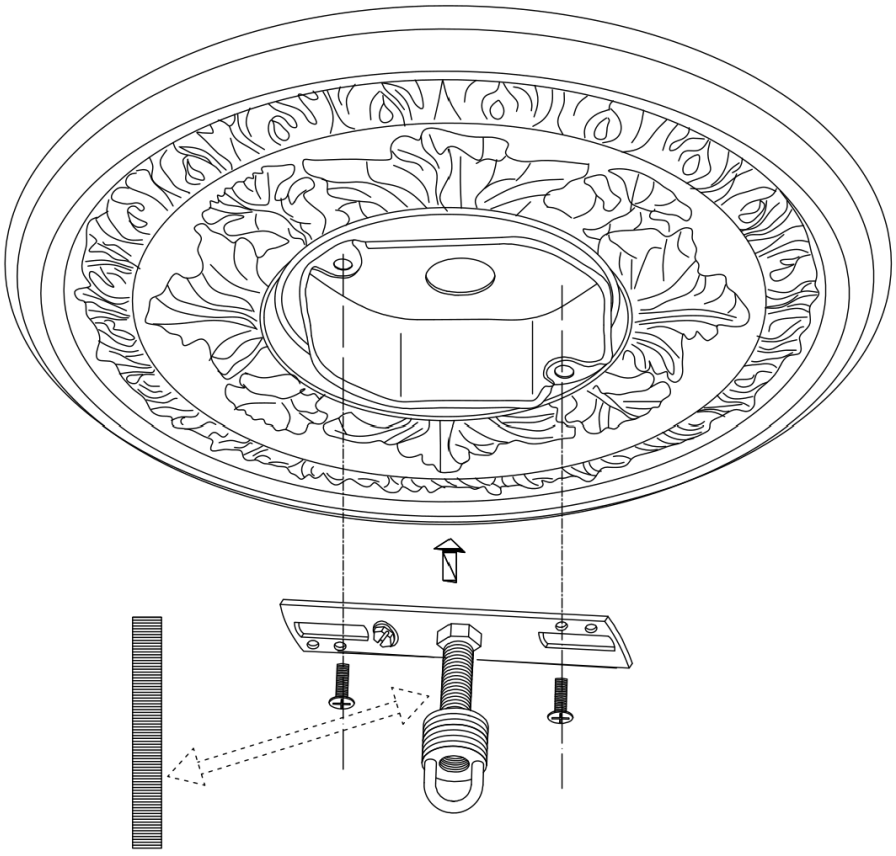

7. Thread wires through chains, and then attach chains to hanging ring.

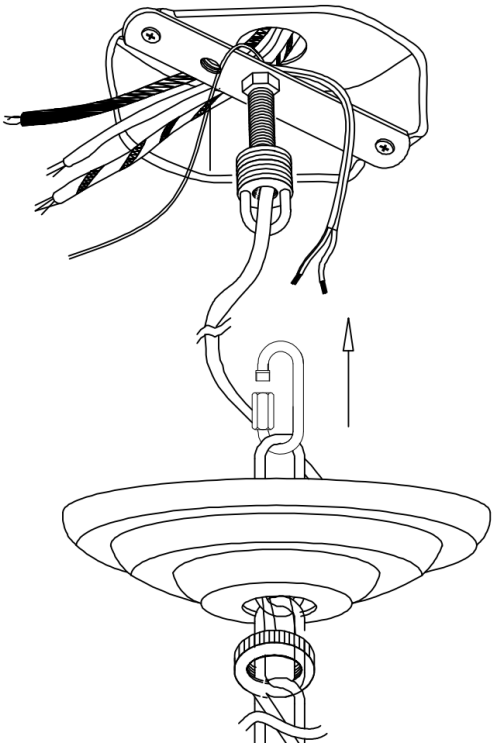

8. Remove the mounting bracket from canopy, and then screw it to ceiling junction box.

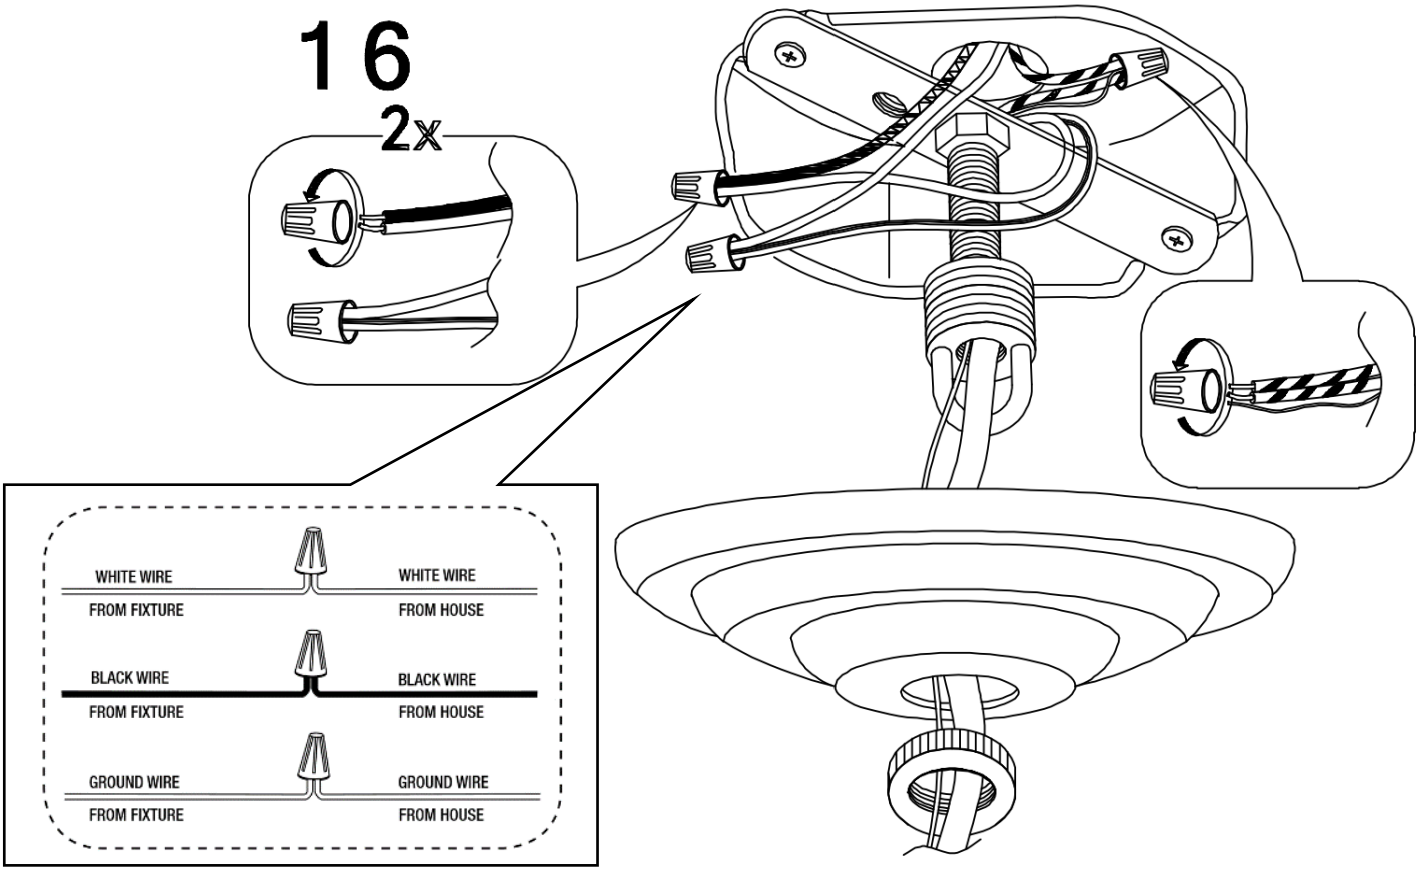

9. If you need a longer mounting bracket for ceiling medallion, then you can switch the longer screw rod on. If not, pls ignore this step.

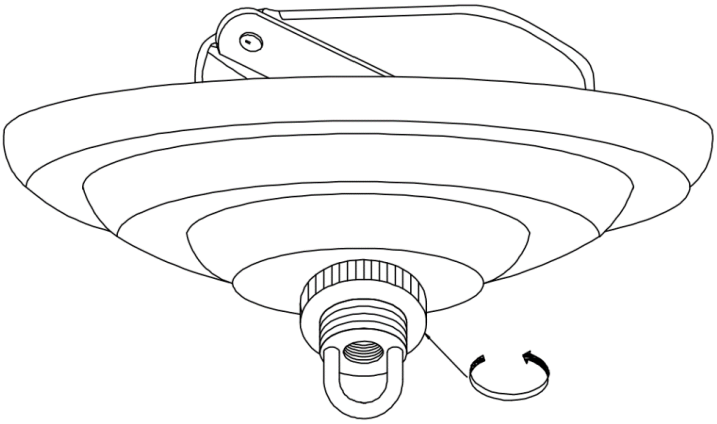

10. Remove the collar ring from mounting bracket first, thread the wires through collar ring, canopy and mounting bracket, and then attach chains on Mounting Bracket.

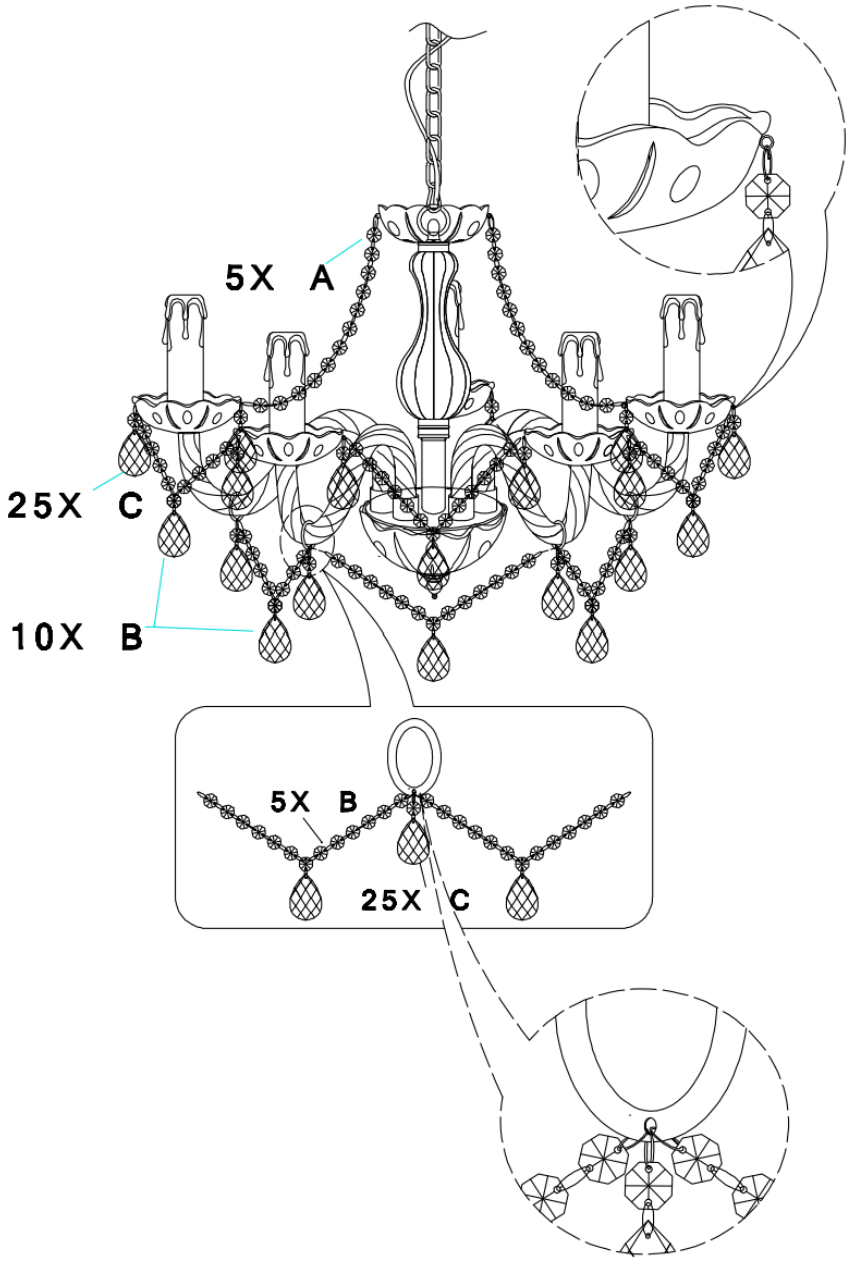

11. Connect wires (from lamp body and junction box) with wire connectors

12. Fix the Canopy back to Mounting Bracket by screwing the Collar Ring back to end of Mounting Bracket.

13. Hang Crystal Pedant and Strand A B C as below pic.
