## Features

## Spec Data

|                  |            |
|------------------|------------|
| Product Wattage  | 5          |
| Product Lumen    | 450        |
| Lumen/W          | 90         |
| Kelvin           | 3000       |
| Energy Rating    | F          |
| Dimmable         | No         |
| Power Factor     | 0.32       |
| CRI              | 80         |
| Lifetime (Hours) | 20000      |
| SDCM             | ≤6         |
| Product Voltage  | 220 - 240V |
| Hertz            | 50/60Hz    |
| Operating Temp   | -20c - 40c |
| Product Weight   | 20g        |
