

Voltage

110V and 12V

Drop Length

Adjustable to 120"

Description

Mouth-blown in Murano, Italy. Each globe is made with different traditional Muranese techniques, which when lit, produces a soft golden glow. Satin nickel or dark bronze hardware.

Canopy Options

See page 134 "Canopy Guide."

Additional Information

No two shades are exactly alike. There will always be variations, which are typical of a handmade product and contribute to its beauty.
