TIRSO PENDANT

DPC06

H: 31.5 IN, Dia: 14.00 IN

Opal

Striking in its simplicity, the Tirso exudes midcentury style. The integrated LED pendant is created with a globe shade in opal glass, which emits a soft glow. A pipe suspension, in antique-brass finished steel with knurled detailing, creates a piercing effect. The fixture is fitted with a disc canopy, also in antique brass. Damp-rated, although limited covered outdoor conditions may affect finish.
