Assembly & Installation Instructions

Dear Customer

Thank you for choosing us! We appreciate your business. Should you have any questions or encounter any issues, please don't hesitate to contact us. You can reach us via email at support@4modernhome.com or by calling 469-3126428. Our team is dedicated to ensuring your complete satisfaction with your purchase. We value your feedback, as it helps future customers in making informed decisions. We encourage you to share your experience by leaving a brief product review on the platform where you made the purchase. Once again, thank you for choosing us!

Best regards!

[Support Team]

Warning: If any special control devices are used with this fixture, follow the instructions carefully to assure full compliance with N.E.C.requirements. If there are any questions, contact a qualified electric contractor.

Warning: California Residents Proposition 65 This product contains lead, a chemical known to the state of California to cause cancer and birth defects or other reproductive harm. Do not place the product in your mouth. Wash your hands after handling this product.

Caution: It is highly recommended to get an electrician to install this light. Please make sure to turn the electricity off at the main circuit breaker before beginning installation. All glass is fragile. Use care when handling glass component(s) and/or lamp(s).

Caution: It is highly recommended to get an electrician to install this light. Please make sure to turn the electricity off at the main circuit breaker before beginning installation. All glass is fragile. Use care when handling glass component(s) and/or lamp(s).

Step4

Lock the crossbar to the junction box of the ceiling by using 2 pcs of 5/32 screws in the accessories bag. Connect the wires. The hot/positive wire (+) has an "L" label on it. The other one is the negative wire (-). And the bare copper is the ground wire. Attach the canopy to the ceiling with screws.

Step5

Use a ring lock to tighten the ceiling plate.

Step3

Install the hanging chain on the lamp body.

Step2

Screw together.

Step1

Screw together.

Step7

Install 20 E12 bulbs (Not included).

Step6

Screw together.

Applicable bulb type: C7, B8, B10.

WIRE CONNECTION DIAGRAM

Wires meeting safety standards are required to connect the electrical circuit.

CAUTION: Risk of fire

Please read all instructions carefully. Before you proceed to install, make sure that the power supply is turned off and remains off until installation is completed.
