Base Type: E12

Light Source Included: No

Voltage: 120 V

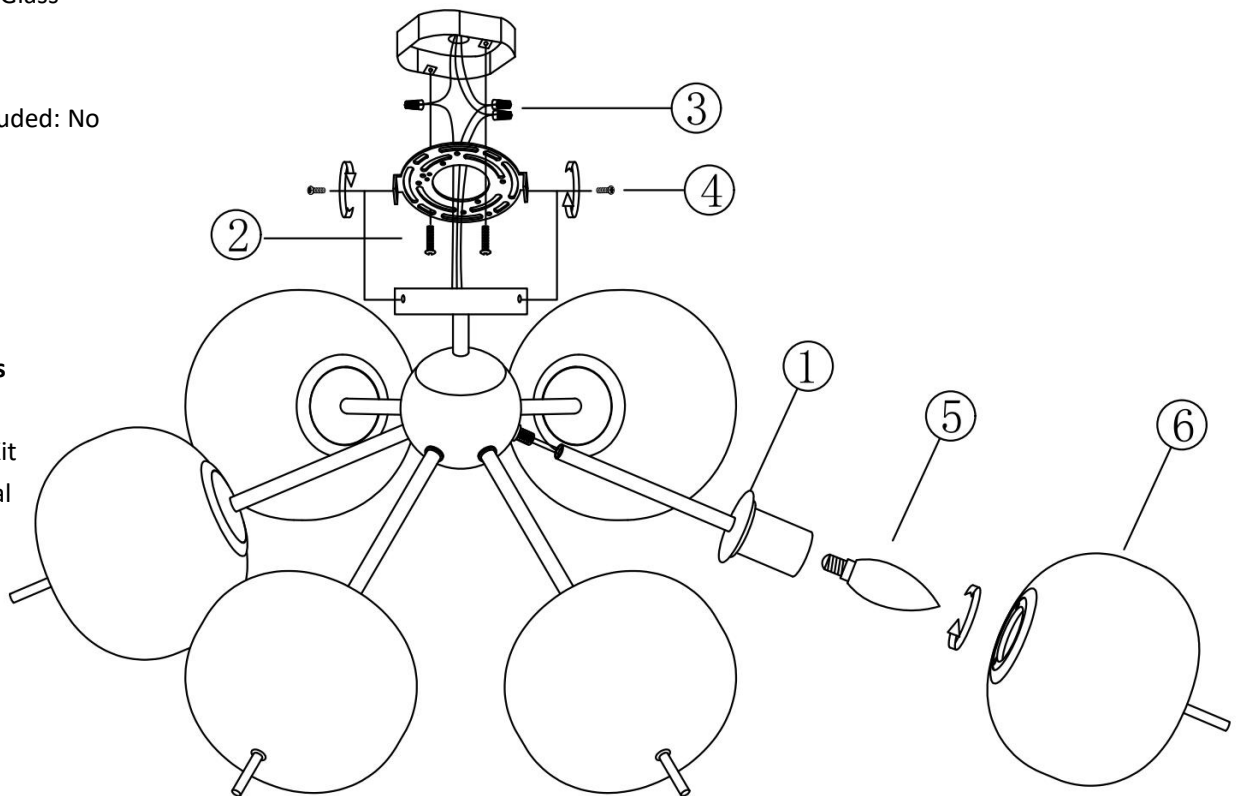

Wattage: 40 W

## Package includes

1 x Fixture Light

1 x Accessories Kit

1 x User's Manual

## Installation Instructions

1. Push the power wire into the light fixture and screw the light bulb holder tightly into the fixture.
2. Secure the mounting plate to the junction box using screws.
3. Use wire nuts to connect the light fixture's wires to the corresponding wires in the junction box. (Note: connect the black wire to black, white wire to white, and ground wire to the ground screw. Ensure no exposed wires during connection.)
4. Use screws to fix the ceiling plate onto the mounting plate.
5. Install the light bulb (not included).
6. Install the glass light shade (just twist it into place, do not overtighten).

**Note:** please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
