

# BROOKLYN AC LED TASK LIGHT

The Brooklyn AC LED task light joins understated modern design and seamless functionality to create a utilitarian and elegant desk light, with two universal AC sockets that work with US, UK, EU, and other international adapters, plus two USB ports, (1 USB-A, and 1 USB-C, accommodating for newer handsets as well).

Innovative LED Light panel technology casts energy-efficient, warm, white light without any hot spots. The lamp also comes with an integrated device mount, three touch-activated brightness settings, and a base that has an optional residue-free adhesive for stabilization, or you can purchase an additional triangular aluminum base plate with low-profile felt pads.

# BROOKLYN AC
