

Assembly Instruction Sheet

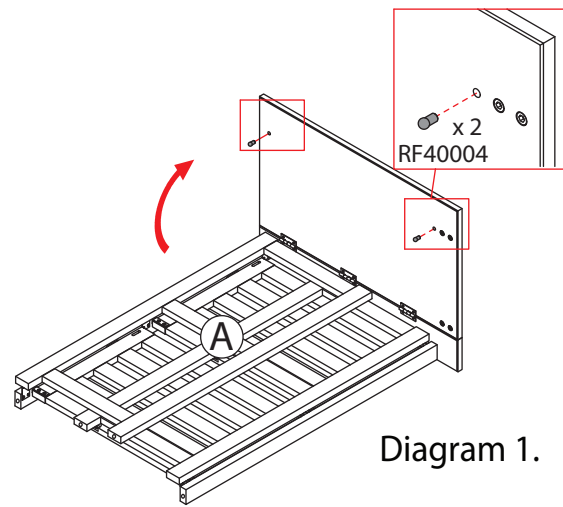

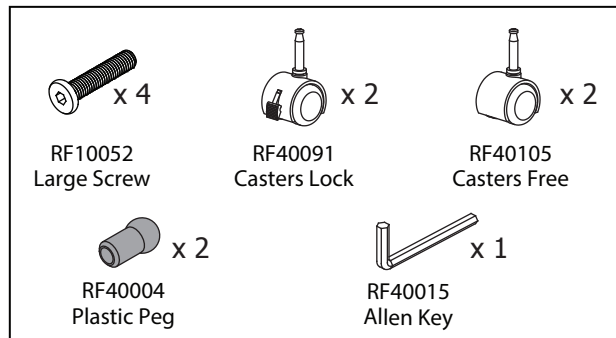

Folding Kitchen Cart

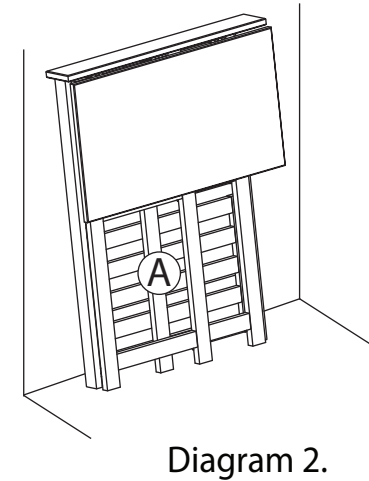

Part List

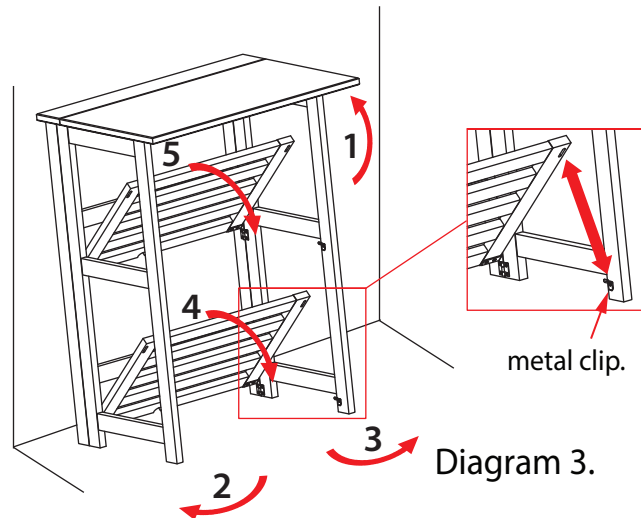

Hardware

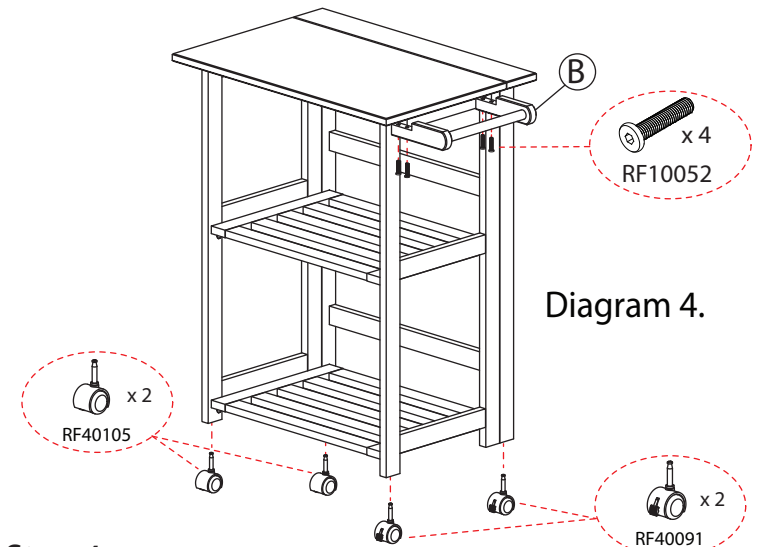

Step 1:
Unfold the table top, then place the Plastic Pegs (RF40004) into the predrilled holes under the table top as per diagram 1.

Step 2:
Gently lean the kitchen cart (A) against the wall as per diagram 2.

Step 3:
Unfold the top, left and right side panels and two shelves following the sequence shown on diagram 3.
Make sure each shelf rests on the metal clips on the side panels.

Step 4:
- Attach the Handle (B) to the unit by using Screws (RF10052).
- Insert the Casters Free (RF40105) into the holes underneath the left side panel and Caster Lock (RF40091) into the holes underneath the right side panel as per diagram 4.
