

ASSEMBLY INSTRUCTIONS

NOTE

1. Please check the parts list before assembly and read the instructions step by step carefully. Wrong ways might result in incomplete assembly, more seriously, causing personal injury and property damage in the future.
2. If it's possible please find another person to help you. Using an electric screwdriver would make the assembly much easier.
3. If you have any problems during the assembly that you can't solve on your own, please contact us immediately through platform, we'll reply to you as soon as possible.
