

Mirror - Glossy Nickel

It features a round frame of bars arranged at different lengths creating a sunburst design. It all borders a convex mirror which offers the most interesting reflections. The frame is then finished in our glossy nickel lacquer. Alone or in multiples, it is a perfect focal point for an entryway, bathroom, bedroom or any room in your home. D-rings are affixed to the back of the mirror so it is ready to hang right out of the box! The Mirror is part of our custom paint program and is available in one of ten vivid colors. It is proudly painted in the USA.
