

# TIE DOWN

THE NAME YOU KNOW

## Secure Your Load with Confidence

Tie Down's ratchet straps are designed to provide superior strength, reliability, and ease of use for all your hauling needs. Our straps combine robust construction with innovative design, ensuring your cargo is securely fastened and protected. With features that elevate them above the rest, Tie Down straps offer unmatched quality and peace of mind for every journey.

For over 55 years, Tie Down has firmly anchored your homes, hi-rise construction workers, boats and watercrafts. Now, we're extending our expertise to securely fasten your belongings.

**Tie Down**- Secure, durable, and reliable – it's *the name you know*.

## Premium Features

### Safety Clip "S" Hook

Secure grip and scratch-free protection with safety lock.

### Drawstring Carry Bag

Keeps straps organized and easy to transport.

### Double Diamond Stitch

Enhances durability in high-use areas.

### Wear-Indicator Line

Alerts when straps need replacement.

### Velcro Straps

Secures excess strap and prevents tangles.

### Comfort Handle

Padded handle for comfort and easy-release operation.

The chart below offers a side-by-side comparison of product specifications and features, ensuring you make an informed choice for your next project.
