Notes

1. If the product is scratched or damaged by the cat's paws, please repair or replace it before continuing to use it to avoid further harm to your cat.
2. Cats have a high level of vigilance toward new things. You can use their favorite toys to lure them a little, and they will quickly become familiar with and like this product.
3. Because cats like to jump and play, for safety, we recommend that you connect this product to a wall to enhance stability.
4. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
