

Installation instructions

Hardware accessories

M1

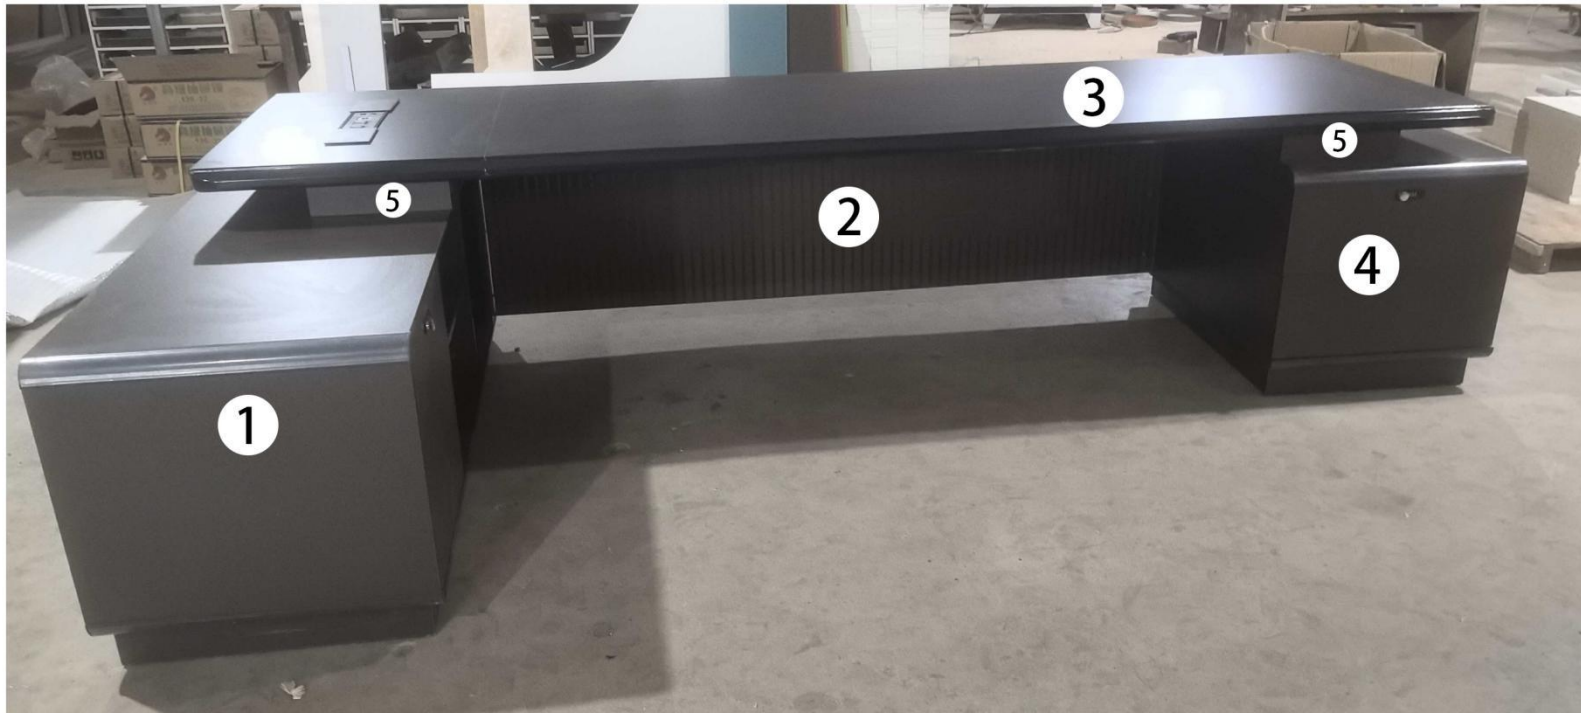

M2

M3

M4

Step1:Installation Parts

- 1.Insert the M2 parts into the side holes of Cabinet 1 and Cabinet 4.
- 2.Take out Panel 2 and M3 parts. Align the side holes of Panel 2 with the M2 parts and insert them;
Repeat the same process for both sides, then fasten securely with the M3 parts.

Step2:Install the Countertop Support

- 1.Take out the M1 and M2 parts and the No.5 panel parts.
- 2.The two No.5 parts are Countertop Support; note the left-right distinction,
Place them on Cabinet 1 and Cabinet 4, then secure them with the M1 and M2 parts.

Step3:Install the tabletop

- 1.Use the M1 and M2 parts together with the No.3 tabletop.
- 2.Place the tabletop in position and secure it with the M1 and M2 parts.

This completes the installation.
