CARE INSTRUCTIONS FOR AIR LEATHER:

To maintain the original appearance of your fabric furniture, please follow the simple care procedures below:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Exposure to sunlight or heating and air conditioning outlets will fade/damage fabric.
- Wipe gently with a damp soft cloth to remove dust, dirt and any grime build up.

⚠ It is recommended to install protective pads under all legs and supports to avoid damage or scratches when placing furniture on a wood floor or other hard surface, and to limit indentation and prevent discoloration if placing on carpet.
