

PALOMA VASE

5773

Speckled Ivory

H: 7.5 IN

Dia: 12.50 IN

The handmade Paloma vase, created in a speckled ivory finish, volcanic-glazed ceramic with large lug-handle accents, takes its inspiration from the love handles used in ancient Roman pottery. Filled with foliage or on its own, the contemporary artifact adds old-meets-new refinement to any surface. Finish will vary.

CONTRACT: Suitable As Is
