

INSTRUCTIONS

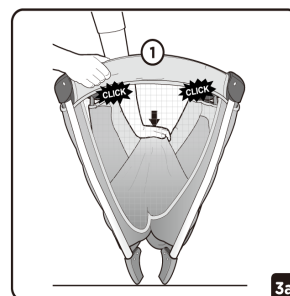

To assembly play yard _____

- 1 Unfasten floorboard and remove play yard. Set floorboard aside.
- 2 KEEPING CENTER UP — open play yard as shown.
Note: For easier set up, lock wheels.

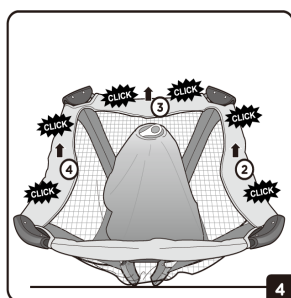

- 3 Place hand on top of center hub. Firmly grasp SHORT RAIL as shown (Figure 3).

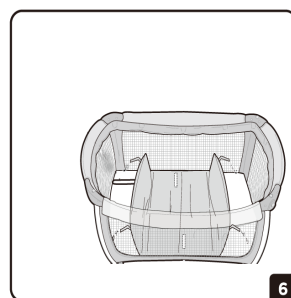

- 3a FLIP rail upward and listen for DOUBLE CLICK to lock (Figure 3a).

TO LOCK RAILINGS, CENTER MUST BE UP.

Assembly _____

- 4 Keeping hand on center hub, FLIP and CLICK railings in order as shown.
- 5 Pick up end of play yard and push center down.

- 6 Place floorboard soft side up. Lift floorboard to feed strip into slot, secure underneath; repeat for other end.

IMPORTANT: Lift floorboard to ensure it is attached.
