1 Unzipper the base cloth, take out the sofa seat bag and feet and other accessories, and then close the zipper.

2 Put on the sofa cover.
The side with the elastic band is the bottom.
Suggestion: you'd better not remove the protective strip before finish putting the cover on.

3 Secure the legs of the sofa.

5 Use the connecting band to connect the seats together (or not, it's totally up to users).
Note: The seats should be closely attached without any gaps, and then attach the connecting band.
