

FARAH FLUSH MOUNT

DFI07
 Vintage Brass
 H: 12 IN
 Dia: 44.00 IN

Botanically inspired, our vintage brass fixture's shades are carefully sculpted to recall the fronds of a banana leaf tree. An update of the classic '70s-style palm lamp, the Farah radiates light upward for dramatic illumination. Vintage brass-plated iron canopy. Damp-rated, although limited covered outdoor areas may affect finish. Finish will vary.
