

# INSTALLATION GUIDE

1

All accessory parts.

2

Screw the canopy onto the hanging tube.

3

Screw the hanging tube for fixing the bulb fixture body.

4

Fix the mounting bracket on the electrical box, then connect the wires.

5

Screw the cap to fix the canopy to the mounting bracket.

6

Screw 3 E26 bulbs. The light fixture is ready to use. (Bulbs are not included.)
