Safety Information

- Avoid placing heavy or bulky items to prevent tipping or damage.
- Position the nightstand away from heat sources and flammable materials to reduce the risk of fire or safety hazards.
- **AVOID** placing fragile or hazardous items within easy reach of children.
- Choose a location where the nightstand does not obstruct the opening and closing of doors or windows and allows for easy room access.
- Follow the assembly instructions step by step to ensure correct and secure assembly.
- **DO NOT** modify the structure of this product in any way.
- If unsure about the assembly process or have specific requirements, seek assistance from a professional or contact customer service to ensure safety and stability.
- This nightstand can be used by children aged 8 years and older, persons with reduced physical, sensory, or mental capabilities, or those who lack experience or knowledge, **ONLY** if they are properly supervised or have been instructed in its safe and understand the risks involved.
- Children **MUST NOT** play with the nightstand.
- Cleaning and maintenance must not be carried out by children without supervision.
- Keep the nightstand and its cord out of the reach of children under 8 years old.
- **NEVER** leave the nightstand unattended when it is connected to a power supply.
- If the supply cord is damaged, the nightstand should be scrapped or have the cord replaced by the manufacturer, its service agent, or similarly qualified persons to avoid hazards.
