

INSTALLATION INSTRUCTION

Cautions:

Installation should be carried out by professionals. When cleaning and installing, please remember to cut off the power supply.

Appearance :

The diagram illustrates the installation of your new luminary. This is a representative drawing and is not intended to match the style of your luminary.

Assembly steps:

- (1) You can gently touch the round dot on the base to check if it is illuminated.
- (2) Remove the lamp cap and the gasket from the lamp base.
- (3) Install the support cover and the lampshade in the order shown in the picture below.
- (4) Fix it with the lamp cap.
