

Jefferson,
Design by Luca Nichetto

Model Jefferson small

The *Jefferson* suspension lamp designed by Luca Nichetto is reminiscent of music and iconic images in psychedelic works of art from the 1960s. The vortex motif decorating the diffuser is embellished by the timeless classicism of Bohemian crystal, which diffuses evocative atmospheres of light.

Dynamic in both its many sizes and multiple compositions, *Jefferson's* elegance keeps up with the excellent performance of LED interior lighting.

Jefferson small	Light source	Structure: Metal	Diffuser: Bohemian crystal	Code
