

# 1 Caution

1) First, make sure to disconnect the power by turning off the switch and the circuit breaker.

3

3) Connect the hot wire (black or red) from the electric box with the "L" wire from the chandelier, and the white wire from the electric box with the non-L wire from the light. Screw the ceiling canopy into the mounting plate.

5

5) Connect the power by first turning on the circuit breaker and then the light switch.

2

2) Install the mounting plate. Make sure to securely screw the mounting plate onto the electrical box or a beam if necessary.

4

4) Adjust the height of each tier of the frame from the top to the bottom.

6

6) Remove the protective film on the ceiling mount and the stainless frames.

Steps to hang crystals.  
1. Push the pins through the crystal holes.

2. Bend the pins to the sides to fasten the crystal
