Warning: If you overturn the furniture, it may cause serious or fatal crushing injuries. We have a wall connection device attached, please use it to hold the furniture following these instructions.

1. Mark the corresponding hole positions where you want to place the furniture;

2. Use a impact drill to drill holes and pay attention to avoid wires and water pipes;

3. Knock the expansion pipes into the wall holes;

4. Place the furniture in the corresponding position and tighten the wall connection device with screws.
