## EZ PRESS™ STEAM IRON

DPP143 Release its wrath on wrinkles.

- + Stainless steel easy-gliding soleplate
- + Steam burst for tough wrinkles
- + Dual voltage
- + Steam or dry switch
- + Variable temperature
- + Temperature ready light
- + 800 watts
- + 8-foot power cord
- + Anti-slip rubber feet

An iron with enough power and features for home use, and small enough for travel, our EZ Press Steam Iron makes the most of its compact size. It includes a variable steam feature with a steam burst for tough wrinkles, an anti-slip heel for added safety, and a stainless steel soleplate for a smooth glide across fabric. Its lightweight design makes it easily portable, the 8-foot cord provides extra ironing freedom, and the dual voltage lets you take it overseas.
