*We recommend 2
person to assemble*

STEP 24

TIPPING RESTRAINT HARDWARE

Note: We have included two Tipping Restraint Hardware set for this Unit. When properly installed, this restraint can provide protection against the unexpected tipping of the Unit due to small tremors, bumps or climbing. We strongly recommend mounting this hardware to a wall stud and your Unit.

Note: You must install the Tipping Restraint Hardware with the unit in use to prevent any accidents or damage to the unit.

Hook-and-loop fastener can wrap the wires, making your desk look neater
