

MELT ENTRY TABLE

GAFDI01
 Cerused Natural
 H: 30 IN
 Dia: 48.00 IN

The Melt Entry Table with a white marble top explores the joining of soft, malleable forms, featuring connective elements with the same molten quality expressed throughout the series. The limewash wood entry table plays with the joining of materials and shapes and the resulting liminal space, creating a sense of airy lightness through an intentional vertical reveal. Marble will vary.
