

ASSEMBLY INSTRUCTIONS

A

B

Installation Instructions

1. For Large-sized Coffee Table

- ① Align the side table panels C1 and C2 with the screw holes on the top panel D. Insert the accessory B followed by accessory A through the holes in sequence, then fasten side table panels C1 and C2 to the top panel D respectively using accessory C.
- ② Align the bottom panel E with the screw holes on the side table panels C1 and C2. Insert the accessory B followed by accessory A through the holes in sequence, then fasten the bottom panel E to the side table panels C1 and C2 respectively using accessory C.

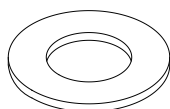

2. For Small-sized Side Table

- ① Align the side table panels F1 and F2 with the screw holes on the top panel G. Insert the accessory B followed by accessory A through the holes in sequence, then fasten side table panels F1 and F2 to the top panel G respectively using accessory C.

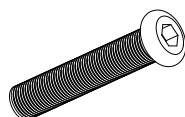

3. Post-Installation Check

After installation, verify that all screws are fully tightened. Rotate the table 180 degrees and place it on a flat, stable surface. The product is now ready for normal use.
