

EASY INSTALLATION

01

STEP 01: Open the gazebo frame slightly

02

STEP 02: First fix the four corners of the top cloth and then the barbs of the bracket, and then adjust the top cloth

03

STEP 03: Push the button control system upward to raise the bracket and adjust it to fit the preferred shade range and height

04

STEP 04: Hang the mosquito net on and you can choose to put the net down or tie it
