

Ovente Electric Coffee Grinder, Removable 2-Blade Grinding Bowl, 200W, 2.1 oz, Lid-Activated Switch, Silver (CG620S)

Key Features

- CREATE THE PERFECT BREW WITH CONSISTENT GROUNDS** – You won't have to deal with a combination of powder and coarse coffee grounds in one mix. With the Ovente Multi-Purpose Electric Coffee Grinder, you can create a great-tasting brew—with uniform grind size to evenly extract the flavor from the beans. It is powered by a 200W motor (120V) and is powerful to grind different beans with good consistency.
- MAXIMIZE THE GRINDER'S WORK** – This electric grinder can do more than just grind coffee. You can use it for grinding herbs, spices, grains, and nuts too! Its grinding bowl can hold up to 2.1 oz (60 g) of product.
- FINE-TUNE THE GRIND SIZE** – Its blades are made of high-quality stainless steel that pulverize beans with precision. With it, you can produce coarse or fine consistent grounds, whichever suits your taste, in just seconds. A 4-blade bowl is sold separately for harder grinds.
- EXTRA SAFE** – Its transparent, easy-open lid allows you to check the grind's texture at all times. For added safety, the blades do not spin unless it is secured in place. It also has rubber feet to prevent slippage.
- LIMITED 1-YEAR** – all Ovente products have a one (1) year period from the date of purchase from an authorized retailer. This only covers defects in workmanship and materials. Please note that you have to provide proof of purchase to request for repair or replacement.
