

Wall-mounted Mirror

Instruction Manual

Thank you for choosing this product. We strive to provide you with the best quality products and service in the industry. Should you have any issues, please don't hesitate to contact us.

1 Before Assembly

Thank you for your purchase. This instruction is aimed at helping you complete the installation. Since the product contains fragile glass, you need to protect yourself from cuts and keep it away from your children during installation.

Assembly Tips

- Check the list of contents before assembly to ensure that all parts are included in the package.
- Make sure the wall can bear the weight of the mirror.
- Do not use string or chain to hang the product.

Care Advice

- Before using, clean with warm water and a soft, lint-free cloth.
- Check that all the screws and bolts are tight every three months or as needed.
- Clean with an ammonia-free glass cleaner or detergent.
- Avoid spraying cleaners directly onto the mirror.

Note: This product contains fragile glass. Do not knock or squeeze it.

DISCLAIMER: Glass products are fragile and may cause injury. Please keep your children away during installation. Before use, please be aware that our company won't take any responsibility for any damage that occurs during use.

If you encounter any problems with our product, please contact us as soon as possible.

Ways to Use

Choose one of the installation methods based on your preference.

Wall-Mounted

Leaning

NOTE: Ensure the mirror is securely against the wall and stable to prevent it from falling and breaking.

Package List

Mirror
x1

Screws
x3

Expansion Tubes
x3

Tools Required (Not Provided)

Wall-Mount Installation

Available for both vertical and horizontal wall mounting.

- ① Position the mirror against the wall to determine the desired placement. Use a ruler to mark the drilling spots.
- ② After drilling, insert the expansion tubes and secure the screws.
- ③ Hang the mirror directly on the screws and ensure it is securely in place.
