

BLUETOOTH LED INSTRUCTIONS

STEP 1

Scan QR Code or go to your app store and download the duoCo Strip app.

STEP 2

Start the app and select the menu at the top left of the app.

STEP 3

Select "My Devices" and your device name will show below. Make sure the link icon is not broken next to the device name. If it is then just select the device name and refresh until the link icon shows a solid link.
