Base Type: E12

Light Source Included: No

Voltage: 120VAC

Wattage: 40W

### Package includes

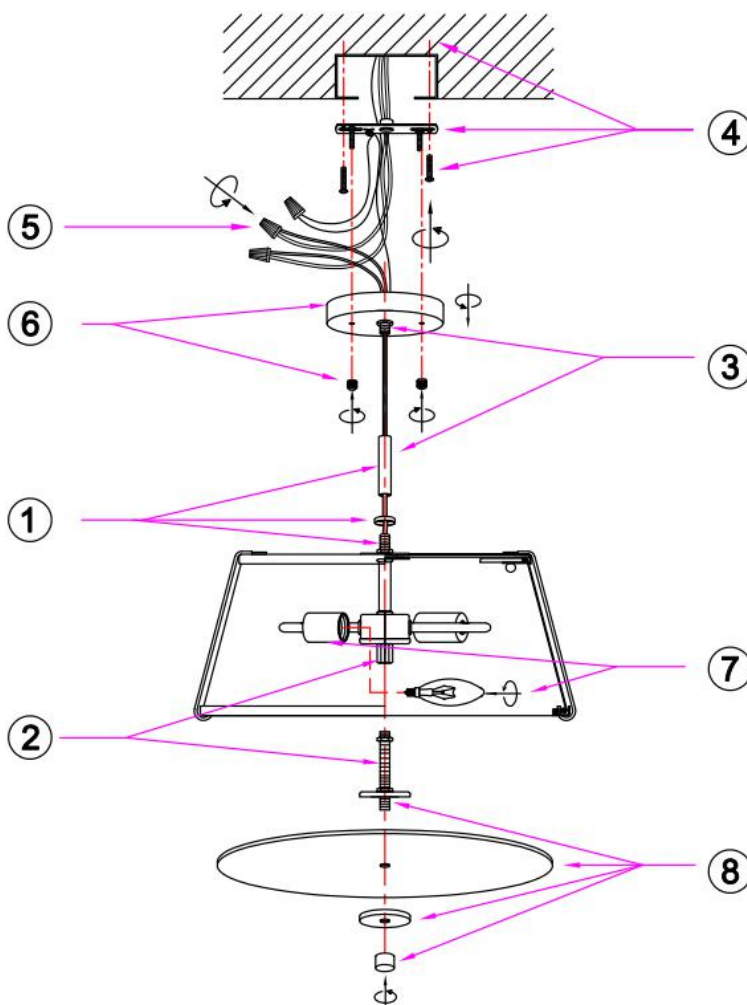

1 x Ceiling Light

1 x Accessory Pack

1 x User's Manual

### Installation Instructions

1. Thread the fixture wire through the threaded nut and hanging rod, then place the threaded nut onto the fixture's threaded bolt and tighten the hanging rod.
2. Adjust the threaded bolt to the appropriate length and screw it into the fixture coupling.
3. Thread the fixture wire through the canopy, then attach the canopy onto the hanging rod.
4. Use the screws to secure the mounting plate to the standard U.S. junction box.
5. Connect the wires using wire connectors: connect black to black (live), white to white (neutral), and the ground wire to the grounding screw. Ensure no wires are exposed.
6. Secure the canopy to the mounting plate using the cap nuts.
7. Install the light bulb(s) into the socket(s).
8. Slide the acrylic panel onto the fixture's threaded bolt, then attach the finishing washer and secure it with the nut.
9. Turn on the power to test that the bulb(s) are working properly.

**Note:** Please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
