---

**TABLE CLOCK:** The Glenmont Alarm & Table Clock features a metal oval shape with a glass center and silver-finished brushed top and base with polished edges and sides to complement your home decor. The clock's movement makes a soft ticking noise without the use of chimes for a quieter environment.

**DURABLE:** This indoor modern clock is created to last. It has a sturdy frame to relieve stress in a busy household. A felt bottom will protect your desk or tabletop. Display it in your kitchen, office, bathroom, bedroom, living room, and more.

**HIGH QUALITY:** The classic design is a home essential. Easily tell time with black Roman numerals, black hands, silver second hand, glass crystal, and polished silver-tone bezel to stand out over a white dial.

**MOVEMENT:** It is powered by quartz movement, and requires one AA sized battery. The traditional Roman numerals feature IIII instead of IV.

**HOWARD MILLER:** Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
