Important – Please read these instructions carefully before starting the installation.

Bed

Before Assembly

Thank you for choosing this product!
To ensure safe use and long-term maintenance, please read this manual carefully and keep it properly for future reference.

Packaging Notice:

1. Multi-Box Shipping Notice

This product is packaged in 2 separate boxes for shipping and may arrive in batches at different times. To ensure a smooth assembly process, please make sure all boxes are received before unpacking and starting the installation.

2. Box and Packaging Verification

Each box is labeled with a corresponding number. Please refer to the packing list on the next page of this manual to verify that all boxes have been received.

If you find any missing boxes, damaged parts, or accessory shortages, please contact the customer service team of your purchasing channel immediately. We will resolve the issue as quickly as possible.

Important Notice:

- To ensure a smooth and successful installation, please read this guide carefully. It provides essential information about the required tools, materials, and assembly steps. Follow the instructions in each section to avoid any issues caused by improper installation.
- Please review all operational and safety guidelines to ensure proper and secure assembly.
- This guide reflects the most current product information available at the time of printing. We reserve the right to make changes to product features, packaging, or availability without prior notice.
- Before starting assembly, ensure that all necessary electrical and environmental preparations are completed.
- This manual contains important instructions regarding installation, cleaning, and maintenance. Please read it thoroughly and keep it for future reference.

Safety Warnings

EN

1. Follow Warning Labels

Do not remove, alter, or obscure any warning labels on the product or packaging. Always adhere to the displayed safety instructions to ensure proper usage.

2. Conduct Regular Inspections

Periodically inspect all components to ensure they are properly installed, undamaged, and securely fastened. Report any issues to customer support immediately.

3. Practice Safe Usage

Avoid playing, jumping, or engaging in activities on or under the bed, as this may cause injury or structural damage.

4. Beware of Rope Hazards

Do not attach ropes, hooks, straps, or any non-designated accessories to any part of the bed, as this may pose a safety hazard.

5. Keep This Manual for Reference

Store this manual in a safe and accessible place for future reference.

6. Safety is a Shared Responsibility

Ensuring safety is a joint responsibility between the manufacturer and the user. Please follow all safety precautions during assembly and use.

Disclaimer

We are committed to delivering safe, high-quality, and reliable products to our customers. If you have any questions, concerns, or require further assistance, please contact our customer service team without hesitation.

Maintenance and Care Recommendations

1. Regular Cleaning

To maintain hygiene and prevent bacterial growth, clean the product regularly. Use a damp, well-wrung cloth to avoid excess moisture and prevent surface scratches.

2. Prevent Corrosion

Keep the product away from acidic or alkaline substances, as they may cause corrosion or damage to the materials.

Email : **service@grandtunnel.com**

3. Use Only Authorized Replacement Parts

Do not use unauthorized or third-party replacement parts, as they may compromise the product's safety and durability. If a replacement is needed, contact the manufacturer or an authorized dealer for approved parts.

4. Cleaning Precautions

Do not machine wash or rinse any part of the product directly with water, as this may damage the materials and reduce product lifespan.

5. Prevent Pests

Keep wooden furniture away from damp or humid areas to prevent pest infestations and wood damage. Use a dehumidifier or air conditioner during humid seasons to maintain a dry environment.

6. Protect from Sunlight

Avoid placing furniture in direct sunlight, as prolonged exposure may cause cracking, discoloration, or fading. If sunlight exposure is unavoidable, use curtains or shades to minimize damage.

7. Keep Away from Fire

Position furniture away from heat sources and open flames to prevent damage and maintain its condition.

8. Perform Regular Care

Apply furniture oil periodically to maintain the wood's shine, prevent cracks, and extend its lifespan.

9. Clean Frequently

Regularly vacuum dust and debris, especially underneath furniture, to keep it clean and hygienic.

10. Maintain a Dry Environment

Ensure good ventilation to prevent moisture buildup, which can damage wood. Use a dehumidifier if necessary to protect the furniture.

11. Avoid Corrosive Liquids

Keep furniture away from acidic or alkaline substances, as these can damage the surface and reduce durability.

12. Use a Damp Cloth for Cleaning

Wipe furniture with a well-wrung damp cloth to prevent water damage or swelling. Avoid excessive moisture exposure.

13. Limit Sun Exposure

Excessive sunlight can dry out and weaken wood. Position furniture in shaded areas or use UV-blocking curtains to protect it from damage.

Customer Service Guide

EN

Thank you for choosing our product! We are committed to providing you with excellent service. If you find any missing parts, damaged packaging, or product damage after receiving all packages, please follow the steps below to quickly contact our customer service team. We will do our best to resolve your issue.

1. Missing Parts

Verify Parts:

1. Refer to the "Parts List" in the manual to verify the name, specifications, and quantity of the missing parts.
2. Take a clear photo of the parts list and mark the missing parts with detailed information, e.g., "Missing 5 pieces of M6×30mm screws."

Contact Us:

By Email:

Send an email to **service@grandtunnel.com**, with the subject line "Missing Parts Issue." Include the following in the email:

- A description of the missing parts and a photo of the parts list.
- Order details (order number, purchase platform, purchase date).

2. Product or Packaging Damage

If it affects normal use:

Steps:

1. Take clear photos or videos showing the damaged parts and the extent of the damage (multi-angle shots are recommended).
2. Email the photos/videos along with order details to **service@grandtunnel.com**, with the subject line "Product Damage Issue."

Resolution:

After verification, we will arrange for a replacement part, product exchange, or refund as quickly as possible.

If it does not affect normal use:

Steps:

1. Contact our customer service team (by email: **service@grandtunnel.com**).
2. Provide a description of the damage and include relevant photos or videos.

Resolution:

We will provide repair guidance or an appropriate compensation plan based on the specific situation.

Helpful Tips

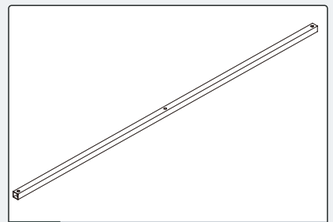

To process your issue efficiently, please prepare the following information:

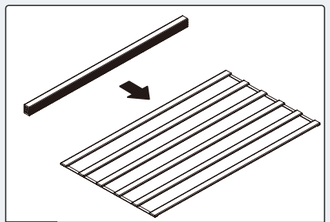

- Order details (order number, purchase platform, purchase date).
- Clear photos or videos.
- We are committed to providing quick and professional solutions, no matter the size of the issue, to ensure your satisfaction.

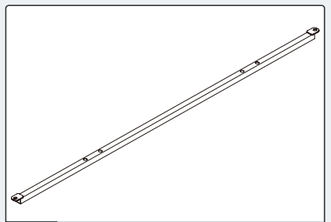

Thank you for your trust and support!
We hope you enjoy using our product!

Headboard Section Installation

Hardware Accessory List

A			Ø8x12mm x4
C			Ø8x20mm x14
D		Colored Zinc	Ø8x28mm x2
E			Ø8x33mm x3
F			Ø8x40mm x12
G			Ø8x48mm x8
I			Ø6x12mm x16
M			Ø7x40mm x4
N			Ø15x9.5mm x4
O			Ø6x40mm x4

The headboard section assembly requires a total of labeled panels shown in the diagram. Please locate all of them and prepare them for use.

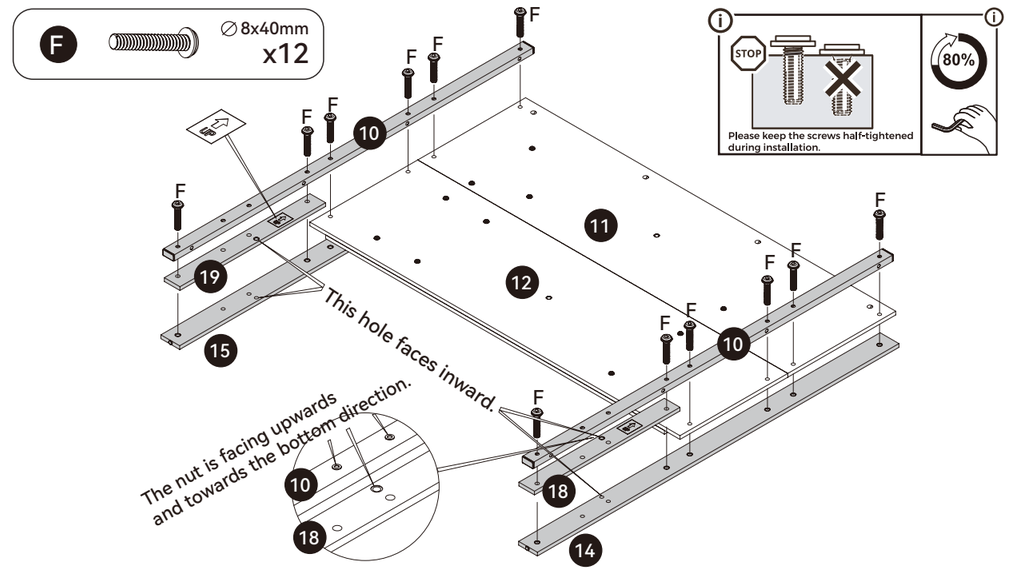

Note:

Ensure all hardware components are accounted for before beginning assembly. Missing or damaged hardware should be reported to customer service for replacement.

Email : **service@grandtunnel.com**

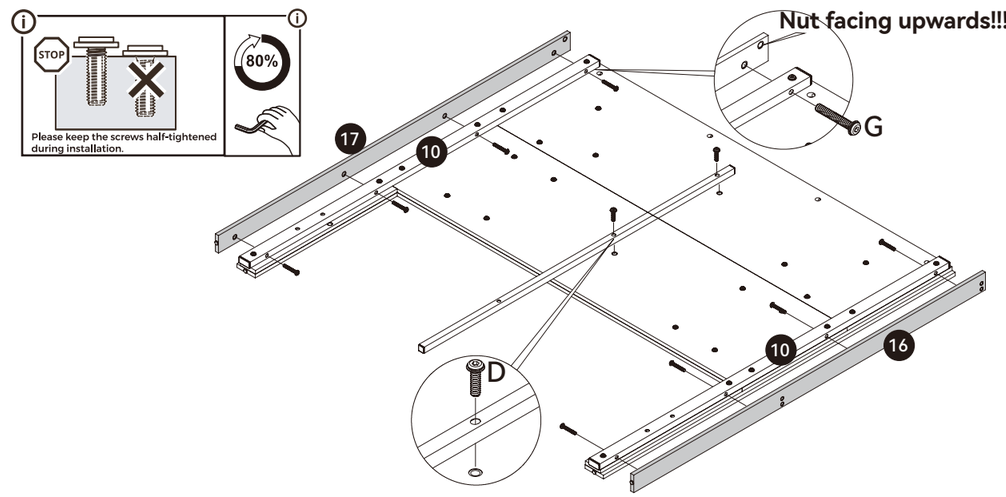

EN

Step 1 Headboard Section

As shown in the illustration, assemble the headboard leg (10) by passing the (F) screw sequentially through (19), (18), (11), and (12) on both sides of the headboard, and then through (15) and (14).

Step 2 Headboard Section

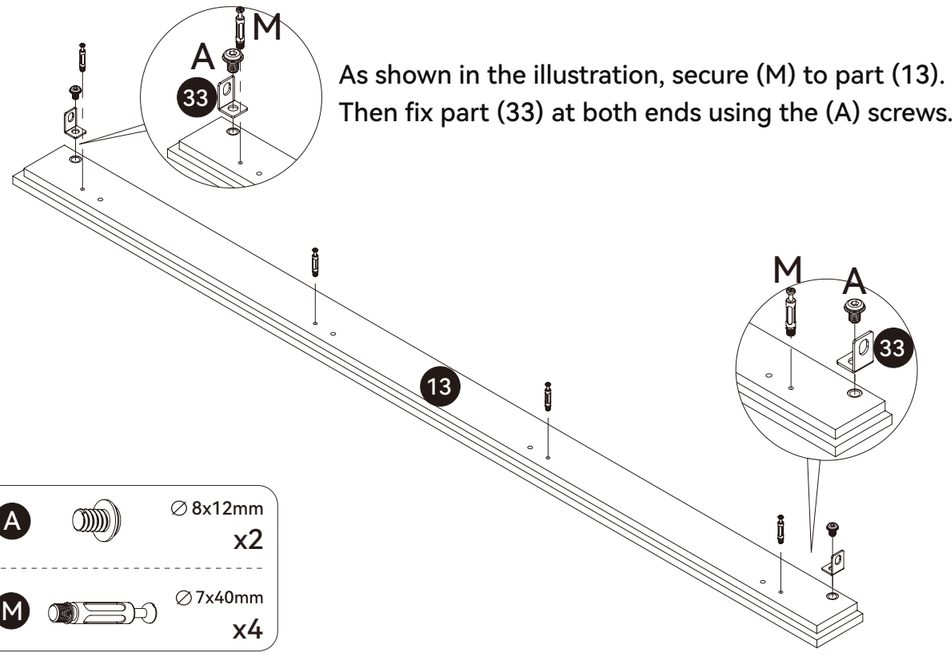

As shown in the illustration, use the (G) screws to pass through the holes in part (10) and assemble it with parts (17) and (16) on both sides of the headboard. Then secure rod (29) to the back of the headboard parts (11) and (12) using the (D) screws.

D		Colored Zinc	⌀8x28mm x2
G			⌀8x48mm x8

Email : **service@grandtunnel.com**

EN

Step 3 Headboard Section

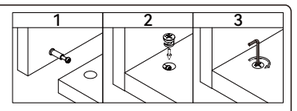

As shown in the illustration, secure (M) to part (13). Then fix part (33) at both ends using the (A) screws.

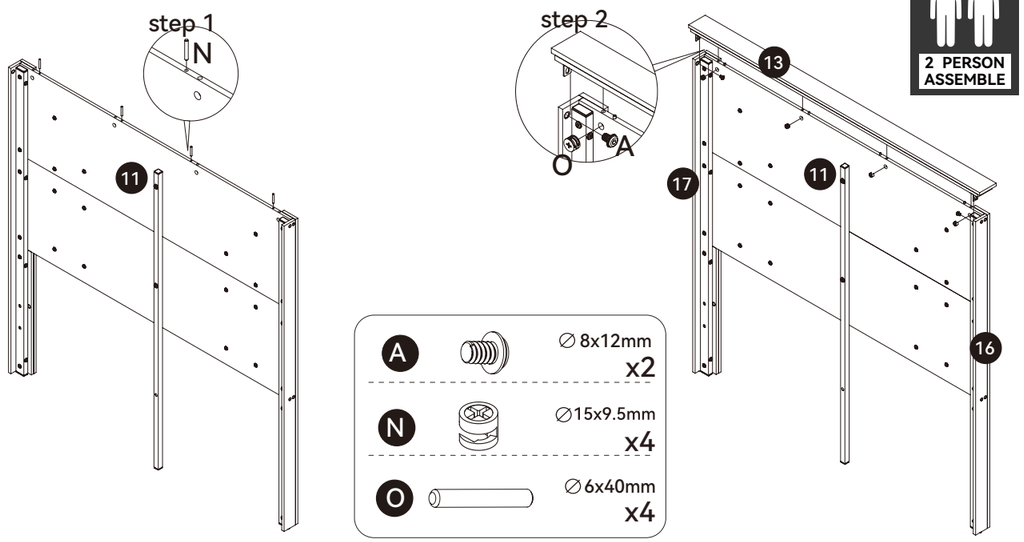

A		∅8x12mm x2
M		∅7x40mm x4

Step 4 Headboard Section

As shown in the illustration, stand the headboard upright and insert four wooden dowels (O), paying attention to the hole positions. Then assemble part (13) with panel (11) and secure them using the locking fastener (N).

2 PERSON ASSEMBLE

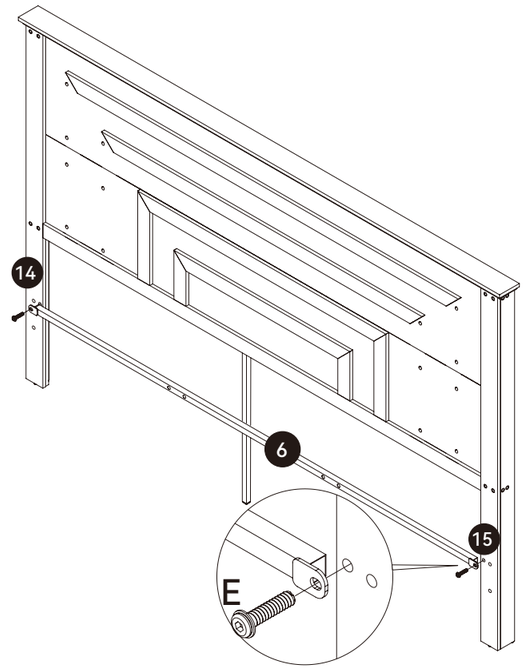

A		∅8x12mm x2
N		∅15x9.5mm x4
O		∅6x40mm x4

Email : **service@grandtunnel.com**

EN

Step 5 Headboard Section

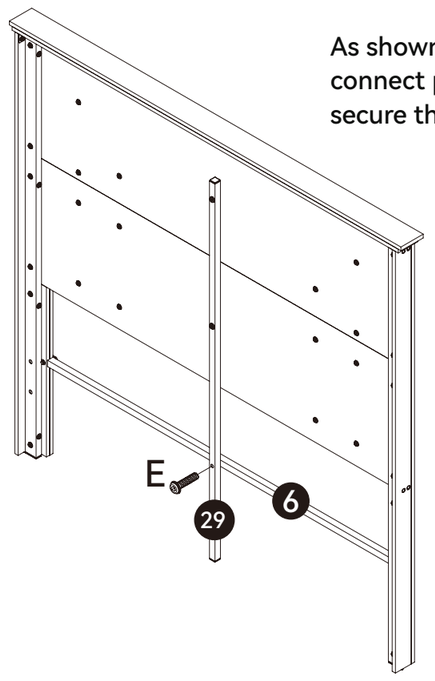

2 PERSON ASSEMBLE

As shown in the illustration, assemble part (6) with parts (14) and (15), and secure them using the (E) screws.

Note: Make sure the holes in part (6) are facing the correct direction.

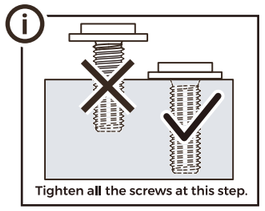

E		∅8x33mm x2

Step 6 Headboard Section

As shown in the illustration, connect parts (29) and (6) and secure them using the (E) screws.

2 PERSON ASSEMBLE

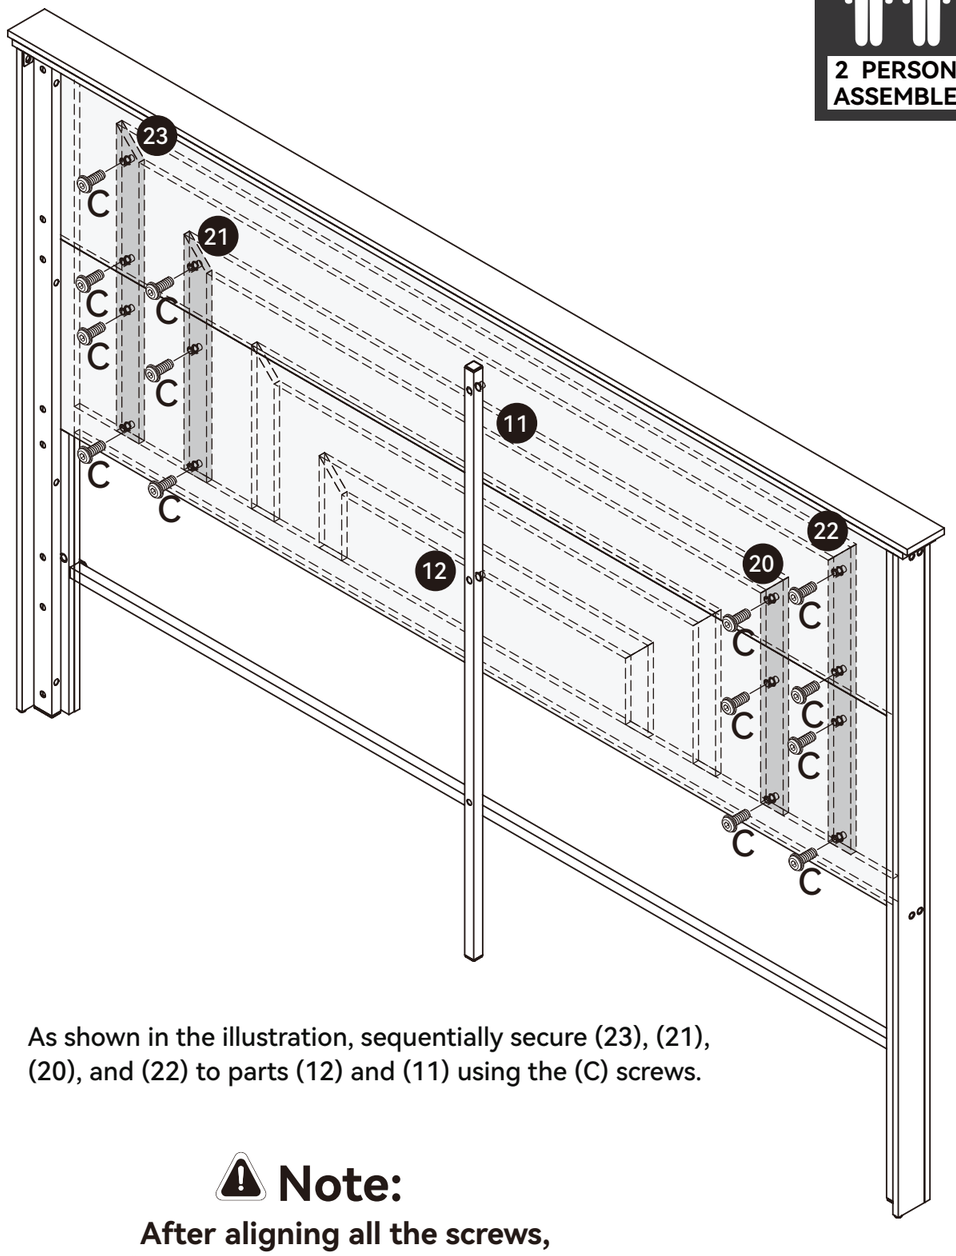

E		∅8x33mm x1

Email : **service@grandtunnel.com**

Step 7 Headboard Section

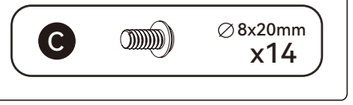

As shown in the illustration, sequentially secure (23), (21), (20), and (22) to parts (12) and (11) using the (C) screws.

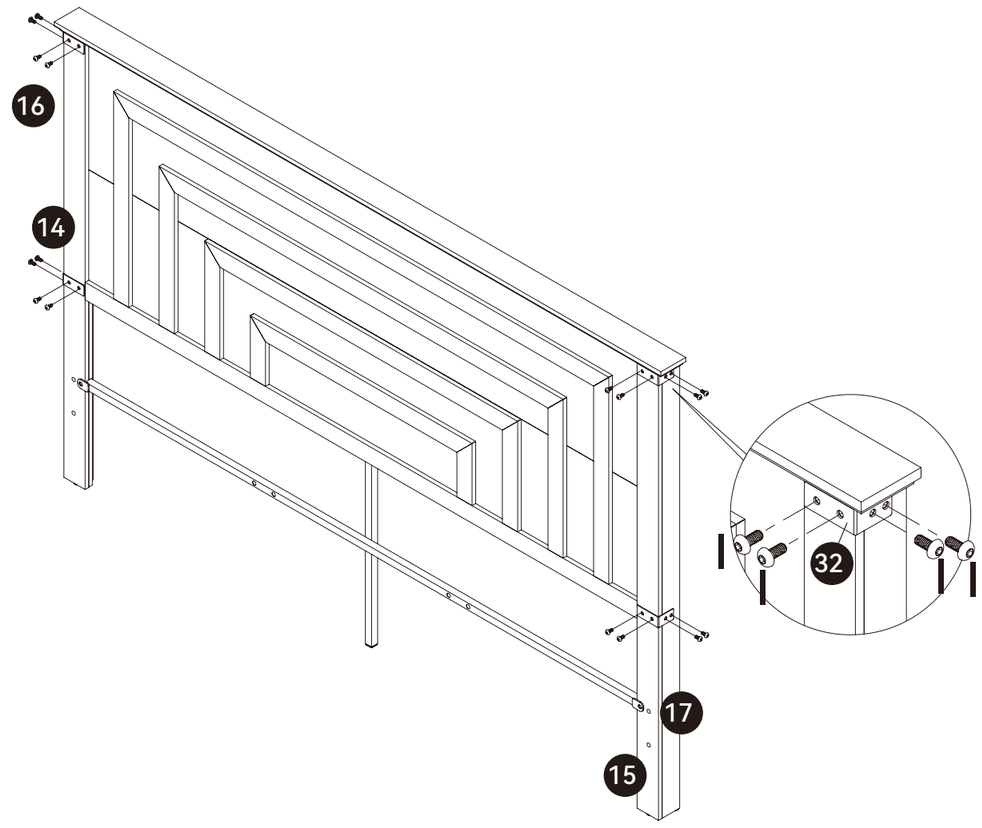

⚠ Note:

After aligning all the screws, adjust the components numbered 20, 21, 22, and 23 in place, and then tighten the screws.

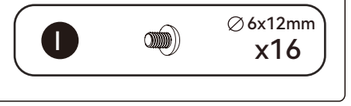

Step 8 Headboard Section

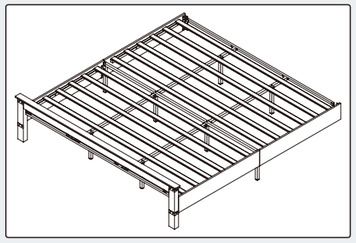

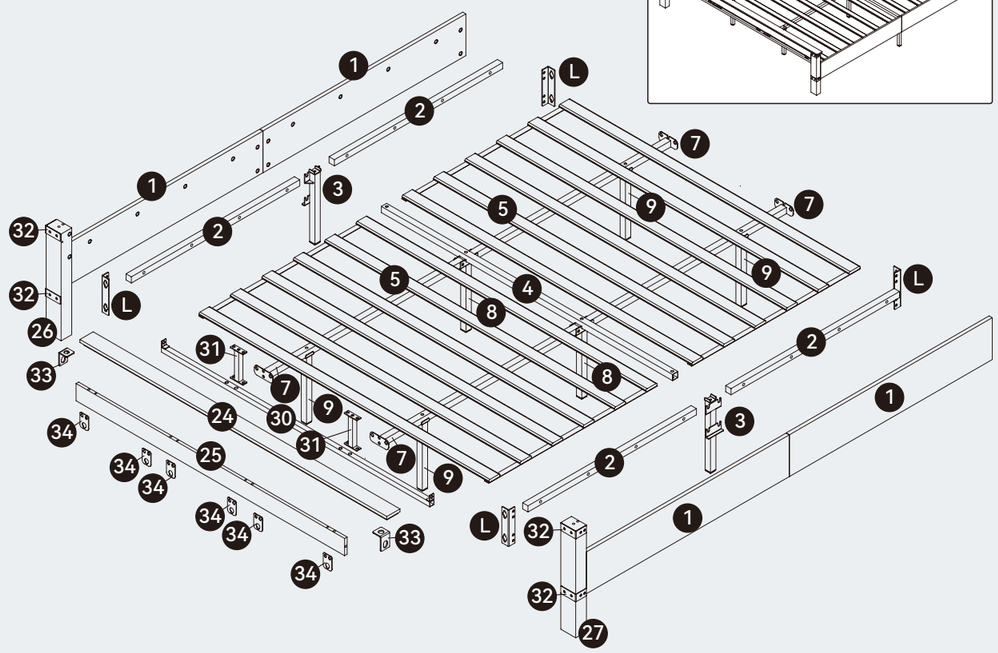

As shown in the illustration, secure the decorative panel (32) to the four positions on the headboard using the (I) screws.

Frame Parts Section Installation

The frame parts section assembly requires a total of labeled panels shown in the diagram. Please locate all of them and prepare them for use.

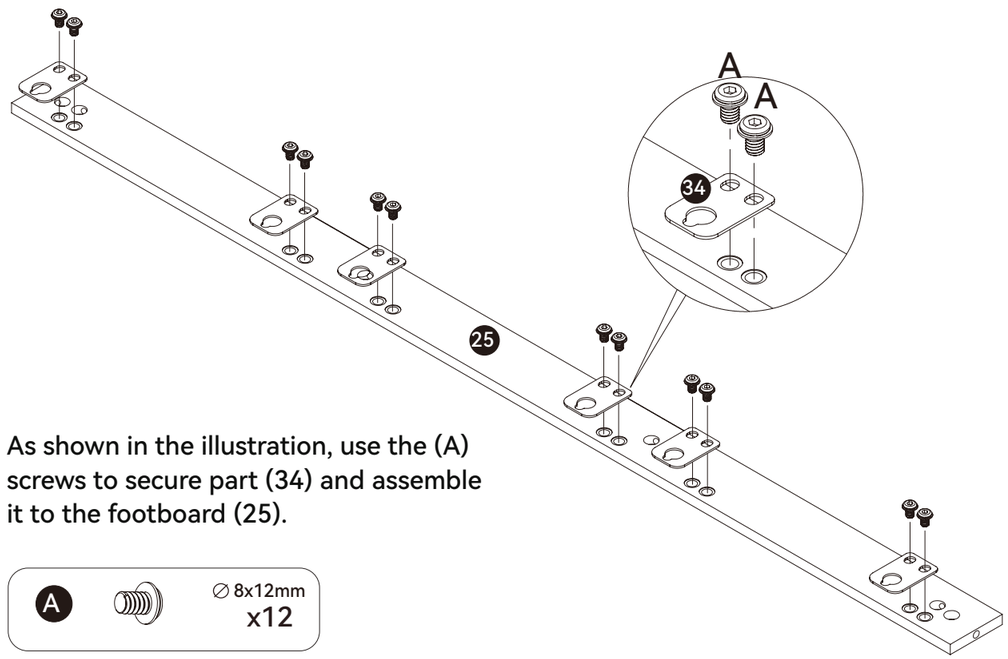

Note: **Ensure all hardware components are accounted for before beginning assembly. Missing or damaged hardware should be reported to customer service for replacement.**

Step 29 Bedside Parts Section

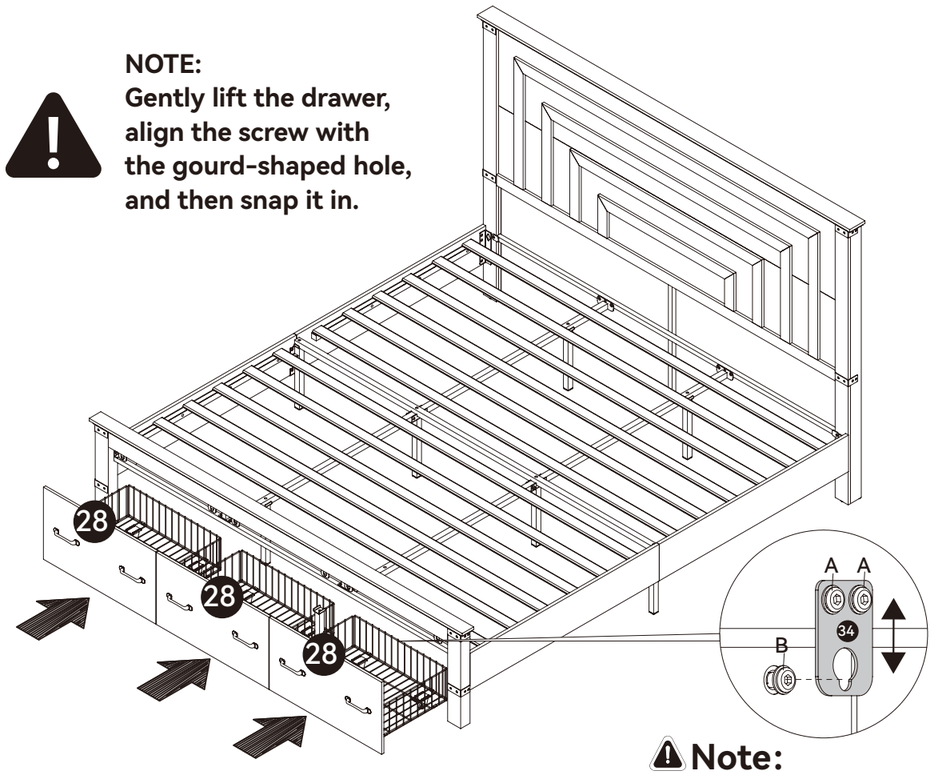

As shown in the illustration, attach handle (35) to drawer panel (28) using the (J) screws.

Step 30 Bedside Parts Section

DRAWER ADJUSTMENT STEPS

NOTE:
Gently lift the drawer, align the screw with the gourd-shaped hole, and then snap it in.

Note:
If you can't align the screw B with the gourd hole, you can loosen the screw A to adjust the height of the part 34

Gently lift the drawer, align the screws with the spiral-shaped holes, and then slide it into place until it clicks in.

Installing the Bed Drawer:

Carefully lift the drawer from the bottom with your hand to provide proper support. Align the hooks on the drawer with the notches on the bed frame. Once aligned, gently push the hooks into the notches on the bed side until they are securely locked in place. Ensure the drawer is stable and properly connected before releasing it.
