

Installation Steps:

1. Mark the point on the ceiling according to the holes of the mounting bracket, drill the holes, stuff the expansion screw pipe into the hole, screw the screw to fix the mounting bracket on the ceiling by the screwdriver (Not Included).
- 2-3. Install the light arms with the screw nut and lock washer.
4. Sort out and bundle all wire by same color with wire nut.
- 5-6. Cover the ball cover and screw the ball nut.
7. Install the pendant rod (4*25cm) (assemble the number of the rod according to your needs).
8. Screw the screw nut to fix the pendant rod to the canopy.
9. Connect the lamp wire to the power supply according to the wire color with the connecting terminal (U.S. -- black for "L", white for "N", copper wire for "Ground"; Europe -- brown for "L", blue for "N", yellow and green for "Ground").
- 10-11. Fix the canopy with the lighting fixture into the mounting bracket with the ball nut.
12. Install the light bulb (Not Included), done.

Attention:

1. Please disconnect the power supply until you finish the installation, we recommend installation by a licensed electrician.
2. Please allow a little color difference due to different monitor and 1-2cm error due to manual measurement.
3. If there are any quality problems, missing parts or other something wrong with the item, please kindly contact with us and we will help you with a satisfied solution.
