### **CARE INSTRUCTION FOR MICROFIBER FURNITURE:**

In order to maintain the original appearance of your microfiber furniture, please follow below care procedures:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and / or exposure to heating and air conditioning outlets will fade/damage microfiber. Do not place your upholstered furniture too close to windows, radiators, or vents, and be sure to use window treatments to block the sun's rays.
- Vacuum or wipe with a soft brush to remove dust.
- Clean microfiber with professional cleanser.
